**The AI Augmented Graphic Designer: Your shortcut to working like the pros of tomorrow** **Digital Art Boom** Felicity Moreau, AI, 2025-02-21

Digital Art Boom explores the dynamic intersection of art and technology, revealing how digital art is reshaping the art industry. This book examines the revolutionary impact of NFTs and blockchain technology, highlighting how they've transformed digital art ownership and the art market. A key insight is how these technologies are challenging traditional notions of authenticity and value, impacting artists, collectors, and institutions alike. The book progresses by first establishing a historical context, tracing the evolution of digital tools and platforms. It then delves into the functionality of NFTs, presents data-driven analysis of market trends, and examines online exhibitions and virtual museums. By exploring the rise of virtual art spaces, the book also reveals how digital platforms are democratizing access to art, engaging new audiences, and transcending geographical limitations. This exploration of digital art also acknowledges controversies, addressing concerns about environmental impact and copyright. Through case studies, expert interviews, and market data analysis, Digital Art Boom offers readers the knowledge to understand and engage with this transformative art revolution.
