Each chapter contains reflective questions to help the readers apply the book's concepts to their work environment, a section titled "Voices from the Generations" which shares insightful views from one of the many successful leaders interviewed for the project, a "Real World Connection" segment which is a scenario in which the readers see how a hypothetical problem might be solved by using a multi-gen leadership lens, and finally an activity worksheet that points readers toward the next steps they can take to strengthen their multi-gen leadership skills and the culture.
