EXCERPT FROM THE BOOK I smile inside when I mention to an extrovert than I m an introvert Before I finish the sentence the extrovert s face lights up and he or she begins what seems like a five minute one sided fun based fact bending rendition of how there is no way I m an introvert I listen and attempt to offer a few bytes of data to the conversation which brings merriment and another round of reasoning I hear as enthusiastic and watch as hand gestures Over the years I ve explained that introvert does not equate to shy and that I m simply better in one on one or small group relationships I wonder if this friend or coworker ever noticed that I am the one cooking or doing dishes at a friends and family gathering taking notes in a meeting or organizing requirements on development projects My husband an extrovert seems to understand although reluctantly because I talk a blue streak with him When he asks what I m thinking if I say nothing he smiles and says not
