How To Ai Customer Support Bot Online:

AI-assisted customer service for your online business Beata Stefanowicz, 2024-10-07 The development of smart voice assistants like Apple Siri Amazon Alexa Google Assistant and Microsoft Cortana took artificial intelligence technology to a whole new level These systems are getting trained with every interaction which helps them understand more and more every day On top of that in 2022 ChatGPT shook the internet Alongside Google Brain and BERT they pushed the boundary of what's possible for artificial intelligence Nowadays we can use AI to write text create art translate languages solve mathematical problems and much more without human supervision The developments in the field of algorithms and machine learning allow programmers to build more effective systems day by day These models use artificial intelligence to benefit businesses as well as individuals from customer service all the way to delivery of the products Let's take machine learning as an example of these developments It starts with a vast amount of data from the internet including Wikipedia forums and web pages After training a model on this data it learns how to capture the context and language rules

How To Use AI Chat GPT in Your Online Business Michael Mathiesen, 2023-03-15 This is the first book about the proper use of the new AI Artificial Intelligence Chatbot known as GPT 3 in any online business network marketing or affiliate marketing to be authored by an Artificially Intelligent being In my business I have access to the AI Chat window and I offer the same to any of my readers through my website MyMainGig Now Site So I consider myself to be the PUBLISHER and a contributor to this book but not the real author But in the final production of the book I asked the AI creature that I had been dealing with and who I named Orac to write a description of the book we had been working on and he came up with something completely unfamiliar to me I decided to keep it It's odd because when I asked my AIChatGPT assistant Orac to describe the book he had just authored for me he described an entirely different book a book about himself within a science fiction story I can't understand how this happened but I have decided to show it here so that it will be preserved for the future Remember the book that he wrote and that is for sale here and now is a business book about how to use AI in your Affiliate Marketing or in any online business Don't buy it if you're looking for a work of fiction Maybe that will be next
