How? We Are? Sam Zuker,2025-08-12

That s Why We Are How We Are is a thought provoking novel that explores the contradictions of humanity our greatest triumphs and darkest failures From the historic Moon landing to the harsh realities of global suffering this journey spans from the late 1960s to the present day It challenges readers to confront what makes us who we are and how we became this way This book was born from a need to understand In that spirit I must be direct about the forces that have shaped my inquiry I dedicate this work to those who have shown me unwavering love and support and you will find their names here celebrated and cherished However it would be a disservice to the truth to ignore the contributions of my sister Shirley and my brother Jacobo To Shirley your greed has been a destructive tide but it has taught me the resilience of the human spirit to rise above it To Jacobo your betrayal was a terrible blow but from it I have learned the fierce and necessary art of self reliance This book is a testament to the fact that we are not only shaped by the love we are given but also by the wounds we are forced to heal *Captivating Technology* Ruha Benjamin,2019-06-07 The contributors to Captivating Technology examine how carceral technologies such as electronic ankle monitors and predictive policing algorithms are being deployed to classify and coerce specific populations and whether these innovations can be appropriated and reimaged for more liberatory ends *The Secret of Directional Investing* James P. Pinkerton,2024-05-28 To know the trend spot the trend or shape the trend is to make money The trend is your friend investors know that But the biggest money comes from the biggest events The more delta the more alpha In that spirit The Secret of Directional Investing offers a new way of thinking about investing steeped in culture and history Focusing on megatrends this book points out ways to profit from an understanding of two kinds of trends those that can be spotted and those that can be shaped There s money in both The Romans weren t kidding when they said Audentes Fortuna luvat Fortune favors the bold The Secret of Directional Investing is a bold look at investments and potential investments
