A Teacher's Guide to Conversational AI David A. Joyner, 2024-05-27 A Teacher's Guide to Conversational AI explores the practical role that language based artificial intelligence tools play in classroom teaching learning experiences and student assessment Today's educators are well aware that conversational and generative AI chatbots intelligent tutoring systems large language models and more represent a complex new factor in teaching and learning This introductory primer offers comprehensive novice friendly guidance into the challenges and opportunities of incorporating AI into K 12 schools and college classes in ways that are appropriate nourishing to students and outcomes driven Opening with an informative overview of the foundational properties key terminology and ethical considerations of these tools the book offers a coherent and realistic vision of classrooms that are enhanced rather than stymied by AI systems This includes strategies for designing assessments that are conducive to students beneficial use of AI while mitigating overreliance or dishonesty using AI to generate lesson examples for student critique or custom content that reinforces course principles leveraging chatbots as a co instructor or a tutor a guide during student driven learning a virtual debate or brainstorming partner and a design project and creating course content lesson plans and activities expanded language and accessibility options and beyond Through the depth of understanding and applied approach provided in these chapters teachers and leaders in training and in service alongside private tutors college instructors and other educators will be better prepared to future proof their efforts to serve new generations of learners

ARTIFICIAL INTELLIGENCE IN EDUCATION: REVOLUTIONIZING LEARNING AND TEACHING Prof. (Dr.) Mita Banerjee, Prof. (Dr.) Sridipa Sinha, Dr. Pranay Pandey, 2024-08-25 [Revolutionizing English Education](#)

Clarice M. Moran, 2024-04-30 Artificial Intelligence or AI has seemingly burst into public consciousness with sudden vigor Previously relinquished to computer science journals it erupted as the unrelenting topic of public media with most of the furor surrounding chatbots like ChatGPT Although many educators began worrying about the implications of AI in student learning and creative activity this book will demonstrate that AI can be harnessed as a source of inspiration and meaningful instruction With an emphasis on useful classroom strategies as well as a consideration of the ethics of AI this book seeks to start a conversation in this nascent area of research and practice The primary focus is on the use of AI in the secondary English classroom but educators in other disciplines will find plenty of ideas and information

outlines the strengths and weaknesses of AGI and explains how to use the software to become a more productive writer while still retaining your own voice **How to Easily Write Effective E-mails in English** Fiona E. Campbell, 2013-03-17

Working at an international level often means having to communicate in a foreign language how much difficulty and stress does this create in your daily life Writing effective e mails in our native language is challenging enough the difficulty in another language is obviously magnified The quantity of time we spend writing e mails in a foreign language often exceeds the quality of the message we actually send We all know that it takes twice as long and even longer to write something in another language don t we I know well I can assure you it is the same for me in Italian No matter how fluent we are in a second language we always worry about embarrassing ourselves and not giving our usual professional image when we communicate to our customers and business in a language that isn t ours One of the most time consuming yet important tasks that we have to do each day is to go through our inboxes that overflow with messages that require responses urgent and non Precious time is taken away from the activities and results we have to produce while we worry and feel frustrated about making mistakes creating misunderstandings and not being able to express ourselves in the same way as we can in our own language With the amount of e mails we have to deal with on a daily basis even seemingly unimportant e mails become much bigger obstacles than they should be All this frustration leads us to build up even more stress in our work Learning to write in English however does not have to be painful and stressful This book has been specifically created with you in mind It aims to help you to become more competent and confident in writing e mails in English have at your disposal all the basic key expressions and phrases you ll need express yourself clearly simply and concisely write organized focused and effective e mails avoid writing unnecessary e mails obtain the results information or action you require more effectively and promptly This practical and informative book offers indispensable guidance for writing simple short and organized e mails in English It is full of useful and valuable information and advice on e mail communication and structure It contains lots of essential formal and informal functional phrases and expressions in English It consists of five modules each one focusing on different components and structure of an email key functional language phrasal verbs and useful and practical activities have been incorporated to help you immediately repeat practice and consolidate the language and concepts introduced in each module There are over 34 practical activities for you to complete and lots of practical rules for you to have available whenever you need them This e workbook offers you structure and a 7 point framework to follow 1 identify your audience 2 identify the purpose of your e mail 3 write a suitable subject line 4 select an appropriate greeting and opening phrase 5 say why you are writing 6 select an appropriate closing phrase and sign off 7 check your e mail for errors and style then push the send button It s as simple as this Obviously you have to add the relative personal content time dates official data etc I can t give you this information but along with checklists sample e mails useful reference data and punctuation and spelling tools you have everything you ll need in order to be able to easily write effective and focused e mails in English Finally no more stress
