**How to Get a Meeting with Anyone, Updated Edition** Stu Heinecke, 2025-06-03 Featuring expanded content and brand new chapters this updated edition of How to Get a Meeting with Anyone explains how you can use your own creative Contact Campaigns to get those critical conversations Heinecke divulges methods he's developed after years of experience and from studying the secrets of others who've had similar breakthrough results results that other marketers considered impossible with response rates as high as 100 percent

**Handbook of Global Media Ethics** Stephen J.A. Ward, 2021-09-02 This handbook is one of the first comprehensive research and teaching tools for the developing area of global media ethics The advent of new media that is global in reach and impact has created the need for a journalism ethics that is global in principles and aims For many scholars teachers and journalists the existing journalism ethics e.g. existing codes of ethics is too parochial and national It fails to provide adequate normative guidance for a media that is digital global and practiced by professional and citizen A global media ethics is being constructed to define what responsible public journalism means for a new global media era Currently scholars write texts and codes for global media teach global media ethics analyse how global issues should be covered and gather together at conferences round tables and meetings However the field lacks an authoritative handbook that presents the views of leading thinkers on the most important issues for global media ethics This handbook is a milestone in the field and a major contribution to media ethics

**Profits Behind the Mic How Teachers Can Build Recurring Income by Editing, Designing, and Supporting Podcasters** Alina Westbrook, 2025-09-09 Podcasts are exploding in popularity but behind every successful show is someone making sure it sounds professional looks polished and gets noticed What most teachers don't realize is that they already have the skills to join this growing industry and create reliable recurring income This practical guide shows you how to launch a side hustle helping podcasters with editing audio clean up show notes and even visual assets like cover art and episode graphics You'll learn where to find clients how to price your services and the simple tools that make professional quality podcast production possible on a budget Designed with educators in mind this book strips away technical jargon and focuses on clear actionable steps If you've ever wanted to step into the world of digital media without being in the spotlight this is your blueprint Help creators shine and earn steady paychecks doing it

**Handbook of the Language Industry** Gary Massey, Maureen Ehrensberger-Dow, Erik

Angelone,2024-07-01 Digital transformation and demographic change are profoundly affecting the contexts in which the language industry operates the resources it deploys and the roles and skillsets of those it employs Driven by evolving digital resources and socio ethical demands the roles and responsibilities deriving from the proliferation of new and emerging profiles in the language industry are transcending the traditional bounds of core activities and competences associated with prototypical concepts of translation and interpreting This volume focuses on the realities in the language industry from the fresh perspective of current and emerging professional profiles and of the contexts and resources that condition and support them It traces the industry s evolution maps its current state and considers key aspects of its workplaces actors and practices In an age when artificial intelligence is challenging traditionally held views of human performance it addresses the issue of where and how human agents add value to the industry s processes and products with a detailed research based consideration of the activities competences roles responsibilities and tools that characterize the language industry of today and the near future
