How to Start Podcasting as a Business James L. Board, 2020

DON'T STRUGGLE TRYING TO FIGURE OUT HOW TO START AND MONETIZE YOUR PODCAST

This book was an expert attempt by the writer to explain the nitty-gritty of podcasting, covering what works and what fails from the author's experience in the niche. The book is packed with a series of tips and tricks for anyone who is just getting started in the podcasting business. Professional podcasters will also find it especially useful to increase their podcast presence with the many expert analyses of how to grow their fan base using SEO technology and their social media platforms. This book covers a lot of guides from selecting the right host for your podcasting to choosing the best interview method for your guests. The book also provides expert insight into what counts as trademark and copyright infringement and how to avoid them best. The book describes many of the latest software for audio editing, how to use them, and why each software is needed. The author talks about some of the myths people unconsciously believe which make podcasters get into trouble by using materials that are not theirs and how to avoid getting into trouble. The author also explicitly talks about various ways by which collaboration with a co-host might work for you and how to go about it. The tips about getting the right interview style and what type of guests should not be welcomed is also included. If you are looking for the right fix to get you on the podcasting, then this is the only material for you. You don't want to miss it.
