Elena Fernández-Martínez, Paulo Seabra, María Cristina Martínez-Fernández, 2025-04-01 Adolescence represents a critical period characterized by significant biological psychological and social transformations that profoundly influence an individual's future. This pivotal stage not only offers a prime opportunity to establish healthy lifestyle habits but also exposes young individuals to the potential acquisition of risky behaviors such as substance abuse with far-reaching consequences for their future wellbeing because during this stage their brain is still developing. Adolescents are known for their impulsive decision-making tendencies which become a notable risk factor within specific contexts. Understanding the complex interplay between these risk contexts and the behaviors exhibited during this phase is vital to comprehensively addressing adolescent health.

Whatever! Gill Hines, Alison Baverstock, 2016-01-14 Do you find bringing up teenagers more of a pain than a pleasure? Raising teenagers can test parental love to breaking point particularly if you have previously enjoyed a close and loving relationship. The child whose every joy and sadness you shared has suddenly become taller than you louder than you with an inside knowledge of all your failings and a sudden urge to point them out. What's more this newly arrived creature may spend half their life glued to a gadget talk and dress in a way you find alien and respond to all queries with a grunt or a dismissal whilst expecting ever greater financial handouts. Help is however at hand. This completely revised and updated edition of a parenting classic is full of advice to help teenagers their parents and the rest of the family. It offers a wealth of sound advice plus tried and tested strategies for every aspect of life with a teen from alcohol to cyberbullying sexting to household chores which you can put into practice immediately. You'll quickly wonder how you ever managed without this book.

Beyond the Box William M. Easum, Dave Travis, 2003 Revolutionize your ministry. Beyond the Box evaluates what's working in emerging churches and helps leaders discover new ideas for their ministry. When it comes to church leadership the leaders in this book aren't thinking inside outside or around the box they're beyond it. Successful church consultants Bill Easum and Dave Travis show you radical church ministries that work demonstrating how your church can grow beyond conventional methods. Gear up and bring people in your community to the faith of Jesus.
