 Jérémie Bouchard, 2026-01-26 Examining the presence and influence of GenAI in the contexts of English for Academic
 Purposes EAP and written composition within university level English as a foreign language EFL programmes this book
 asserts a humanist view of language education informed by critical realism and the social realist philosophy of education J r
 mie Bouchard looks at the GenAI language education interaction through explicit philosophical engagement with the aim of
 strengthening a critical and emancipatory approach to EAP written composition and language education By highlighting
 technological determinism and relating it to broader neoliberalist mechanisms the book provides new insights into the social
 political economic cultural and historical contexts within which the use of GenAI technologies by language teachers and
 learners can be understood Humanising Language Education in the Generative Artificial Intelligence Age will appeal to
