Artificial Intelligence in Education: The Power and Dangers of ChatGPT in the Classroom Amina Al-Marzouqi,Said A. Salloum,Mohammed Al-Saidat,Ahmed Aburayya,Babeet Gupta,2024-03-29 This book aims to bring together a collection of innovative and cutting edge research that addresses the various challenges in the application and theoretical aspects of ChatGPT in education ChatGPT is a large language model developed by OpenAI that has the ability to generate human like text based on a prompt This has significant potential for use in the field of education as it allows for the creation of personalized interactive learning experiences automating assessment and grading and more In e

learning ChatGPT is used to provide instant feedback and support to students as well as generate interactive conversations in the target language for language learning. It is also integrated with existing learning management systems and educational technology platforms to enhance their capabilities. In research, ChatGPT is used for natural language processing and sentiment analysis to gather insights on student learning experiences and educational outcomes. However, it is important to note that there are also ethical and privacy concerns that come with using language models like ChatGPT in education, such as data protection and the potential for bias. Overall, the use of ChatGPT in education has the potential to revolutionize the way we learn, teach, and access information. The book seeks to publish original manuscripts that cover a broad range of topics from the development of new chatbot technologies and their integration into the classroom to the examination of the ethical and pedagogical implications of these systems. By compiling the latest developments in the field and highlighting new areas for exploration, this book provides valuable insights and perspectives for researchers, educators, and practitioners working in the field of ChatGPT and education. The ultimate goal is to advance the understanding of ChatGPT and its role in education and to promote its effective and responsible use in the classroom and beyond.

My City Links: September 2023 Issue

My City Links, 2023-09-01. Ask anyone who they look up to and give credit to for being the person that they have become, chances are that a teacher will be on their list along with parents, family members, and close friends. To mark Teacher's Day, our Cover Story for this edition pays tribute to the role that teachers play in our lives. Anybody who was around in the 80s would remember the pulsating beats and the psychedelic lights that were synonymous with a new form of music that held the world in thrall. A special feature in City Tales revisits the birth of Disco music, its impact on the Bollywood film industry, and its eventual decline of sorts. With the growing realisation that Artificial Intelligence (AI) is here to stay, discussions these days often veer around to the influence this latest revolution in technology can have on different human endeavours. In City Tech, we take a look at some of the latest AI tools that can be used for a variety of functions. As it happens, advances in technology invariably come with their own unique challenges. Preventing cybercrime and identifying the perpetrators is one such challenge for law enforcement agencies these days, and official data on the nature and number of such incidents presents a grim picture. Twin City police chief Soumendra Priyadarshi discusses the challenges in City Beat. The section also looks at diseases like dengue that make an appearance during the monsoon season. We speak with health and municipal officials to bring you a ground report. In Screen Shots, we catch up with the newest star on the block who is creating quite the buzz on the OTT circuit these days. Life has not been the same for actor Prem Parija, who had earlier worked as an assistant director for Bollywood films, since he was signed up to play the lead role in the Commando series. The section also features Odia film producer Sanjay Nayak and filmmaker NG Reddy. During the course of a freewheeling chat, they discuss the current state of the Odia film industry and what needs to be done to draw the audience back to the movie theatres. This edition explores the interesting 200-year-old Urdu poetry tradition of Mushaira in the city of Cuttack. City Culture and the inspiring story of an
