**Halving It All** Francine Deutsch, 2000-04-07 The best way to have it all both a full family life and a career is to halve it all That s the message of Francine Deutsch s refreshing and humane book based on extensive interviews with a wide range of couples Deutsch casts a skeptical eye on the grim story of inequality that has been told since women found themselves working a second shift at home She brings good news equality based on shared parenting is possible and it is emerging all around us Some white collar fathers achieve as well as talk about equality and some blue collar parents work alternate shifts to ensure that one parent can always be with the children Using vivid quotations from her interviews Deutsch tells the story of couples who share parenting equally and some who don t The differences between the groups are not in politics education or class but in the way they negotiate the large and small issues from whose paid job is important to who applies the sunscreen With the majority of mothers in the workforce parents today have to find ways of sharing the work at home Rigid ideas of good mothers and good fathers Deutsch argues can be transformed into a more flexible reality the good parent **Halving It All** takes the discussion beyond shrill ideological arguments about working mothers and absent fathers Deutsch shows how with the best of intentions people perpetuate inequalities and injustices on the home front but also and more important how they can devise more equal arrangements out of explicit principles or simply out of fairness and love

**Working Mother**, 2003-10 The magazine that helps career moms balance their personal and professional lives

*The Emerald Handbook on International Higher Education* Jon McNaughtan, Alexander W. Wiseman, 2025-11-20 The Emerald Handbook on International Higher Education is a comprehensive and structured exploration of the challenges and opportunities arising from the digital age s impact on workforce and leadership in higher education institutions

Impress Them on Your Children Charleton D. King, 2023-12-19 It was a slow realization over many

years that I had been living a divided life as a Christian teaching in the public school system I had no problem teaching at a public school myself but I simultaneously refused to send my children to the same school because I didn't want them exposed to what was taught there. The inconsistency was clear in the minds of others when they found out that I homeschooled my children but it took years for it to become clear to me. After a decade in teaching I felt convicted to resign. This book recounts the several moments and realizations that led up to my decision to leave public education.

*Working Mother*, 2000-10 The magazine that helps career moms balance their personal and professional lives

**Transitions Theory** Afaf Meleis, Afaf I. Meleis, 2010-02-17 It is very exciting to see all of these studies compiled in one book. It can be read sequentially or just for certain transitions. It also can be used as a template for compilation of other concepts central to nursing and can serve as a resource for further studies in transitions. It is an excellent addition to the nursing literature. Score 95 4 Stars Doody's Understanding and recognizing transitions are at the heart of health care reform and this current edition with its numerous clinical examples and descriptions of nursing interventions provides important lessons that can and should be incorporated into health policy. It is a brilliant book and an important contribution to nursing theory. Kathleen Dracup RN DNSc Dean and Professor School of Nursing University of California San Francisco Afaf Meleis the dean of the University of Pennsylvania School of Nursing presents for the first time in a single volume her original transitions theory that integrates middle range theory to assist nurses in facilitating positive transitions for patients families and communities. Nurses are consistently relied on to coach and support patients going through major life transitions such as illness recovery pregnancy old age and many more. A collection of over 50 articles published from 1975 through 2007 and five newly commissioned articles. Transitions Theory covers developmental situational health and illness organizational and therapeutic transitions. Each section includes an introduction written by Dr Meleis in which she offers her historical and practical perspective on transitions. Many of the articles consider the transitional experiences of ethnically diverse patients.

women the elderly and other minority populations Key Topics Discussed Situational transitions including discharge and relocation transitions hospital to home stroke recovery and immigration transitions psychological adaptation and impact of migration on family health Educational transitions including professional transitions from RN to BSN and student to professional Health and illness transitions including self care post heart failure living with chronic illness living with early dementia and accepting palliative care Organization transitions including role transitions from acute care to collaborative practice and hospital to community practice Nursing therapeutics models of transition including role supplementation models and debriefing models      **Exceptional Child Education Resources** ,1998      *New York Magazine* ,1990-06-11 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
