**AI for the Rest of Us** Sairam Sundaresan, 2025-10-30 A joyfully lucid unravelling of AI full of aha moments mind bending analogies and charming doodles that demystifies how these newfangled thinking machines actually learn and are already quietly reshaping our world In *AI For the Rest of Us* Sairam Sundaresan reveals AI's true nature not cyborg sci fi overlords but clever tricks surprising simplicity and the human creativity teaching computers to well think Understanding arrives in the form of playful puzzles why AI sees your pooch as a pastry witty explanations and charming drawings from a guide passionate that AI's core ideas are for everyone Sundaresan helps you see AI's smarts unfold by showing how a robot eventually learns a dance how it finds logic in king man woman queen or even cooks up faces so lifelike you might recognize them His signature doodles illuminate ideas transforming baffling complexity into moments of pure delightful clarity From first building blocks to modern marvels like AI that chats creates art or decides what you buy this book is your exhilarating ticket to understanding the AI age

**The Almighty Machine** Pekka Vahvanen, 2022-02-25 The hymn of Digitalization is nothing new We must encourage the creation of new apps We must develop AI in order to prevail among international competition Technology's advance will halt climate change and let robots do the dumb stuff for us Our faith in technology is powerful because it has saved us in the past *The Almighty Machine* shows us technology's flip side The things that once powered us toward a brighter tomorrow are already undermining our quality of life The data stream has shattered our concentration human relationships have been reduced to a menu of emojis constant surveillance has nullified much of our privacy and the development of AI could be the beginning of the end for us We are becoming the casualties of our own success Pekka Vahvanen's bristling and timely critique deftly translated by Mark Jones throws doubt on the necessity of technological development in a world saturated in tech *The Almighty Machine* presents an important question Does progress no longer make us happier

**The Routledge Handbook of Translation Technology and Society** Stefan Baumgarten, Michael Tieber, 2025-10-08 The *Routledge Handbook of Translation Technology and Society* offers the first comprehensive and critical exploration of translation technologies in the context of globalised multilingual societies within an increasingly AI dominated world This handbook calls for a fundamental rethinking of traditional approaches to translation examining the ethical ideological socioeconomic and environmental implications of digital tools and practices such as professional AI driven translation everyday machine translation crowdsourcing translation or platform based translation work It provides deep insights into pressing issues such as the commodification of language inclusivity in so called low resource languages data colonialism and labour exploitation By questioning conventional science narratives and advocating for sustainable inclusive and equitable applications of translation technologies this handbook empowers readers to engage critically with current trends and challenges in the digital age Readers will benefit from an interdisciplinary approach that combines novel theoretical foundations with empirical research and practical case studies It serves as a foundational

reference and a springboard for critical future research in an evolving sociotechnical translation ecosystem where the blurring boundaries between human and machinic agents foster new modes of translator machine interaction This handbook is an essential resource for academics researchers and professionals in translation studies digital humanities science and technology studies or digital discourse studies Chapter 1 15 and introduction of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 International license
