Dr Jekyll And Mr Hyde Horror Library:

Dr Jekyll and Mr Hyde and Other Stories Robert Louis Stevenson, 1992 Published as a shilling shocker Robert Louis Stevenson's dark psychological fantasy gave birth to the idea of the split personality The story of respectable Dr Jekyll's strange association with the damnable young man Edward Hyde the hunt through fog bound London for a killer and the final revelation of Hyde's true identity is a chilling exploration of humanity's basest capacity for evil *The Strange Case of Dr Jekyll and Mr Hyde and other stories* Robert Louis Stevenson, 2017-07-27 Accompanied here by three other memorable stories of horror murder and the supernatural Robert Louis Stevenson's *The Strange Case of Dr Jekyll and Mr Hyde* is a masterpiece of Victorian Gothic literature Part of the Macmillan Collector's Library a series of stunning pocket sized classics bound in real cloth with gold foiled edges and ribbon markers These beautiful books make perfect gifts or a treat for any book lover This edition features an afterword by playwright and screenwriter Peter Harness Why has the mild mannered Dr Jekyll suddenly begun to associate with the ugly and violent Mr Hyde And why are they never seen together When Jekyll's old friend Utterson tries to solve these mysteries he uncovers a horrific story of suffering and brutality that eventually leads to the terrible revelation of Mr Hyde's true identity **The Strange Case of Dr. Jekyll and MR Hyde** Robert Louis

Stevenson, 2006-02 Mr Utterson the lawyer was a man of a rugged countenance that was never lighted by a smile cold scanty and embarrassed in discourse backward in sentiment lean long dusty dreary and yet somehow lovable At friendly meetings and when the wine was to his taste something eminently human beaconed from his eye something indeed which never found its way into his talk but which spoke not only in these silent symbols of the after dinner face but more often and loudly in the acts of his life He was austere with himself drank gin when he was alone to mortify a taste for vintages and though he enjoyed the theater had not crossed the doors of one for twenty years But he had an approved tolerance for others sometimes wondering almost with envy at the high pressure of spirits involved in their misdeeds and in any extremity inclined to help rather than to reprove I incline to Cain's heresy he used to say quaintly I let my brother go to the devil in his own way In this character it was frequently his fortune to be the last reputable acquaintance and the last good influence in the lives of downgoing men And to such as these so long as they came about his chambers he never marked a shade of change in his demeanour **The Strange Case of Dr. Jekyll and Mr. Hyde [eBook - NC Digital Library]** Robert Louis

Stevenson, 2010 *The Strange Case of Dr Jekyll and Mr Hyde (Illustrated)* Robert Louis Stevenson, 2014-03-13 The work is commonly associated with the rare mental condition often spuriously called split personality referred to in psychiatry as dissociative identity disorder where within the same body there exists more than one distinct personality 4 In this case there are two personalities within Dr Jekyll one apparently good and the other evil completely opposite levels of morality The novella's impact is such that it has become a part of the language with the very phrase Jekyll and Hyde coming to mean a person who is vastly different in moral character from one situation to the next *The Strange Case of Dr. Jekyll and Mr.*

wrote it very rapidly though ill and bedridden at the time Priced at one shilling the genre of macabre and horror stories was known as the shilling shocker it was an immediate success Though not the first of Stevenson s works to explore the notion of the divided self in a period where increasing concern was felt about the possible negative sides of discoveries in both the physical and biological sciences the story clearly struck a chord and it has remained popular ever since **The Strange**
