Dread Locks Dark Fusion:

Dread Locks #1 Neal Shusterman, 2006-08-03 Dread Locks is the first entry in the Dark Fusion series from master storyteller Neal Shusterman. He cleverly weaves together familiar parts of fairy tales and Greek mythology to tell the story of fourteen-year-old Parker Bear, rich and utterly bored with life until a new girl arrives in town. Tara's eyes are always hidden behind designer sunglasses, and her hair, blond with glimmering spirals, seems almost alive. Parker watches, fascinated, as one by one Tara chooses high school students to befriend; he even helps her by making the necessary introductions. Over time, her friends develop strange quirks, such as drinking gallons of milk, eating dirt, and becoming lethargic. By the time Parker realizes what Tara is doing, he is too embroiled to stop her. In fact, she has endowed him with certain cravings of his own. To say more would spoil the spooky fun of this wild thriller, let the twist speak for itself and leave you still as a statue. **Everlost** Neal Shusterman, 2008-06-20 Nick and Allie don't survive the car accident, but their souls don't exactly get where they're supposed to get either. Instead, they're caught halfway between life and death in a sort of limbo known as Everlost, a shadow of the living world filled with all the things and places that no longer exist. It's a magical yet dangerous place where bands of lost children run wild, and anyone who stands in the same place too long sinks to the center of the Earth. When they find Mary, the self-proclaimed queen of lost kids, Nick feels like he's found a home, but Allie isn't satisfied spending eternity between worlds. Against all warnings, Allie begins learning the Criminal Art of haunting and ventures into dangerous territory where a monster called the McGill threatens all the souls of Everlost. In this imaginative novel, Neal Shusterman explores questions of life, death, and what just might lie in between. **Everwild** Neal Shusterman, 2020-09-15 After the events of Everlost, Nick and Allie are on separate paths, and Everlost, the limbo land of dead children, is at war. In this riveting novel from New York Times bestselling and award-winning author Neal Shusterman, Nick wants to help the dead reach the light at the end of the tunnel, but Mary Hightower, their self-proclaimed queen and a dangerous fanatic, is determined to keep them trapped in Everlost for all of eternity. Traveling in the memory of the Hindenburg, Mary is spreading her propaganda and attracting Afterlights to her cause at a frightening speed. Allie travels home to seek out her parents along with Mikey, who was once the terrifying monster the McGill. Allie is tempted by the seductive thrill of skinjacking the living until she discovers the shocking truth about skinjackers that makes her question her place in both worlds. **The Skinjacker Trilogy** Neal Shusterman, 2011-06-14 Not every child who dies goes on to the afterlife. Some are caught halfway between life and death in a sort of limbo known as Everlost, a shadow of the living world filled with all the things and places that no longer exist. It's a magical yet dangerous place where bands of lost kids run wild, and anyone who stands in the same place too long sinks to the center of the Earth. Allie and Nick don't survive the car crash and end up in Everlost, where coins are more valuable than anyone knows. Fortune cookies tell the truth, monsters are real, and the queen of lost souls lives in a once-beloved tower. Nick and Allie have to learn to survive in a world with different rules and figure out who they can trust and who they must oppose.
