Charles H. Lippy

Dream Catchers How Mainstream America Discovered Native Spirituality:

Dream Catchers Philip Jenkins,2023 In this account of the changing attitudes towards Native American spirituality Philip Jenkins charts the history of white American attitudes toward Native religions from colonial times to the present

The Beauty of the Primitive Andrei A. Znamenski,2007-07-12 Publisher description

Randy S. Woodley,2022-09-01 Mission and the Cultural Other is a decolonial critique of a too often failed missionary enterprise Rev Dr Randy Woodley a former missionary and missiologist writes both as an insider and an outsider As an Indigenous person a missionary among Native Americans and a decolonial theologian with over thirty years of experience in various missionary movements he has seen the best and worst that American mission has to offer Before change can be made in a guarded system such as Christian mission the critique must be pervasive and cut to the core of the problem To truly understand the weakness of modern mission we need to hear from those who have been its casualties

Religion and the Marketplace in the United States Jan Stievermann, Philip Goff, 2015 This collection of essays focuses on the diverse interactions between religious and commercial practices in U S history Studying religion and the marketplace from various angles each chapter offers insights into a long and intimate relationship between two aspects of American culture

Selling the Sacred Mara Einstein, Sarah McFarland Taylor, 2024-03-01 There's religion in my marketing There's marketing in my religion Selling the Sacred explores the religio cultural and media implications of a two sided phenomenon marketing religion as a product and marketing products as religion What do various forms of religion marketing collaboration look like in the twenty first century and what does this tell us about American culture and society Social and technological changes rapidly and continuously reframe religious and marketing landscapes Crossfit is a cult Televangelists use psychographics and data marketing QAnon is a religion and big business These are some of the examples highlighted in this collection which engages themes related to capitalist narratives issues related to gender and race and the intersection of religion politics and marketing among other key issues The innovative contributors examine the phenomenon of selling the sacred providing a better understanding of how marketing tactics married with religious content influence our thinking and everyday lives These scholars bring to light how political economic and ideological agendas infuse the construction and presentation of the sacred via more traditional religious institutions or consumer product marketing By examining religion and marketing broadly this book offers engaging tools to recognize and unpack what gets sold as sacred what s at stake and the consequences A go to resource for those working in marketing studies religious studies and media studies Selling the Sacred is also a must read for religious and marketing professionals **The Everlasting People** Matthew J. Milliner, 2021-12-14 How might the life and work of Christian writer G K Chesterton shed light on our understanding of North American Indigenous art and history In these discerning reflections art historian Matthew Milliner appeals to Chesterton s life and work in order to understand and appreciate both Indigenous art and the complex often tragic history of First Nations

peoples American Indian Quarterly ,2007 Faith in America: Personal spirituality today Charles H. Lippy,2006 Over the last 25 years there has been much talk of the presumed decline in religious participation in America In addition from the 1960s on surveys that mark the influence of religion in American life have shown a mixed response Many suggest that religion is losing influence in the culture as a whole others indicate that while organized religion may be experiencing challenges spirituality is on the upswing At the same time however there have been signs that religious life in the U S is extraordinarily healthy But religion in America has changed to be sure in a number of ways And it has changed us and our culture in return This timely set looks at the major forces that are changing the shape of religion in American life

American Indian Culture and Research Journal, 2009 Native North American Theater in a Global Age Birgit Däwes, 2007 Indigenous drama is at once the oldest and most innovative the most heavily displaced and resistant American genre Despite its increasing international presence over the past two decades the field has so far been neglected by scholarship This study seeks to chart the genre in both the U S and Canada by its contemporary manifestations from 1968 to 2004 and traces its historical entanglements in simulacral images and colonial surveillance Placing particular emphasis on the fashioning of cultural identity this approach situates Native theater in the larger framework of transnational methodologies General questions of theatricality and representation are complemented by in depth analyses of 25 plays by authors such as Hanay Geiogamah Monica Charles Gerald Vizenor Spiderwoman Theater Diane Glancy Margo Kane Tomson Highway and Drew Hayden Taylor **Missiology** ,2008 An international review OAH Annual Meeting Organization of American Historians. Meeting, 2005 America, History and Life, 2007 Article abstracts and citations of reviews and **Aboriginal Oral Traditions** Renée Hulan, 2008 Selected from a dissertations covering the United States and Canada conference on Aboriginal oral traditions these essays cover three broad Subject areas oral traditions and knowledge of the environment economy education and or health of communities oral traditions and the continuance of Language and culture and the effects of intellectual property rights electronic media and public discourse on oral traditions American Book Publishing Record, 2003 **Explorers in Eden** Jerold S. Auerbach, 2006 Explorers in Eden uncovers a vast array of diaries letters photographs paintings postcards advertisements and scholarly monographs revealing how Anglo Americans developed a fascination with pueblo culture they identified with biblical associations **The Next Christendom** Philip Jenkins, 2007 The first edition of The Next Christendom has been hailed as a landmark in our understanding of modern Christianity In this new and substantially expanded second edition Jenkins continues to illuminate the remarkable expanion of Christianity in the global South in Africa Asia and Latin America as well as the clash betwen Islam and Christianity since September 11 Among the major topics covered are the growing schism between Northern and Southern churches over issues of gender and sexuality immigrant and ethnic churches in North America and a special section on the split within the Anglican Communion The first in a three book trilogy on the changes besetting modern Christianity this award winning book will be welcomed by
