Many were kind enough to answer my emails and some gave me some solid advice on getting started with my very own blog. Have you noticed how some bloggers make six or seven figure incomes while others struggle to even make 100? What if I could teach you some key skills and habits that could make your blog a true success financially? One of the biggest secrets I can share about blogging, one that I quickly came to understand from other successful communicators, is that you have to be passionate about what you're writing. But this book has so much more to offer. In this book, you'll find easy step-by-step instructions on how to set up your very own blog, analyze and select a specific niche that is both profitable and that you are passionate about, promote and market your blog using several proven social media marketing strategies, apply basic content strategy and design elements to your blog posts to make them go viral, apply 25 essential blogging tips that can help you turn passion into profit. While you may not get instantly rich from blogging, it is something you can easily build upon in your spare time and expand into a full-fledged career path. In this book, you will learn everything you need to know to get a huge advantage in blogging by standing on the shoulders of some of the most successful bloggers ever to put words on a page.
