Decorative Cacti Rudolf Šubík,1971

Decorative Cacti Rudolf Šubík,1972

Decorative Cacti Rudolf Subik,1973

Cactus Dan Torre,2017-05-15 Cacti are full of contradictions Although many are found in the driest and most barren environments on earth some grow exclusively in the branches of the rainforest canopy Many species bristle with ferocious looking spines while other varieties are perfectly smooth And while they might strike us as the most austere plants on earth nearly all of them exhibit remarkable floral displays some even larger than the plant itself In Cactus Dan Torre explores these unique plants as they appear all around the world and throughout art literature and popular culture As Torre shows cacti have played a prominent role in human history for thousands of years Some species were revered by ancient civilizations playing a part in their religious ceremonies other varieties have been cultivated for their medicinal properties and even as a source of dye as in the case of the prickly pear cactus and the cochineal insect the source of red carmine used in everything from food to lipstick Torre examines how cacti have figured in low footprint gardens as iconic features of the landscapes of Westerns and as a delicious culinary ingredient from nutritious Nopal pads to alluring Pitaya or Dragon fruits Entertaining and informative this book will appeal to any of us who have admired these hardy efficient plants *Prick* Gynelle

Leon,2017-10-09 Prick is a stylish practical modern guide to the world of cacti and succulents A comprehensive guide BBC Gardeners World Magazine Cacti and succulents are the plant of the moment Beautiful affordable and if you know how easy to care for they re a short cut to creating brighter calmer more relaxing spaces in the home and office In Prick cactus and succulent expert Gynelle Leon gives you all the knowledge you need to help your plants thrive in a simple easy to understand way Featuring A plant gallery showcasing the many weird and wonderful varieties A chapter of styling ideas to show off your plants A care guide to help your cacti and succulents flourish As an RHS award winning plant photographer and founder of London s only shop dedicated to cacti and succulents Gynelle is the perfect guide on your path to cactus know how **The**
