Leveraging Today's Social Media Mark D. Benigni, Barbara A. Haeffner, Susan O.

Moore, Jeffrey F. Solan, 2025-12-11 *Leveraging Today's Social Media: Its Role in School District Improvement and Success* chronicles the experiences of two superintendents Mark Benigni and Jeff Solan as they navigate the challenges and opportunities of social media in their respective school districts. Acknowledging the concerns surrounding online safety and digital citizenship, the authors emphasize the crucial role of education in empowering students to thrive in the digital age. Explore how schools can leverage social media to enhance student learning from showcasing student work and facilitating college connections to improving communication with families and fostering community engagement. It provides practical guidance on implementing digital citizenship programs, developing appropriate social media policies, and harnessing the power of online platforms for recruitment, professional development, and operational efficiency. Through their shared insights and real-world examples, Benigni and Solan offer a valuable resource for educators seeking to navigate the complexities of social media and unlock its potential to transform teaching and learning. They encourage exploring social media's potential in various school functions before jumping on the bandwagon.

Online Personal Brand Ryan M.

Frischmann, 2014-07-19 *Online personal branding is a requirement for all professionals. The common argument of the experts is you have a digital footprint in social media and on the internet so people are already making impressions of you. Take control of their perceptions. More importantly, you have an opportunity to proactively project your personal brand onto networks. Two other advantages of personal branding are that it forces you to be visionary of your career goals and helps you land favorable employment. This book shares a functional angle to personal branding that is refreshingly simpler than the traditional marketing angle. The definition of an online personal brand is the combination of a skill set, an aura, and an identity, and there is discussion where the concepts overlap.* *Guide To Using LinkedIn* Alysha Monsen, 2021-07-28 With the world more connected than ever, it is the perfect time for you to invest in yourself and create a personal brand. Building a strong personal brand can help you to stand out from the crowd and meet your personal and professional goals. No matter the size of a business, creating a strong brand is crucial for all types of companies. As branding influences consumer thoughts, behaviors, and purchase decisions, it is key to business success. In this book, you will learn how to leverage the best social networking site for business professionals, LinkedIn, to create your own brand. You will find the answers to all the questions you have, such as what is personal branding, why is personal branding important today, and so on.
