Entertainment Media and Communication Nicholas David Bowman, 2024-10-21 Although not considered a formal area of study scholarship on the uses content and effects of entertaining media has been central to communication studies and related fields for more than a century The serious study of entertainment seems paradoxical as

we presume entertainment to be the lighter side of our daily lives Yet as revealed in this volume entertainment media serve as cultural artifacts that shape our understandings of various peoples and publics in ways that invite deeper immersive and increasingly interactive engagement On this backdrop Entertainment Media and Communication serves as a reference guide for canonical and foundational research into media entertainment and a collection of emerging and updated theories and models core to the study of media entertainment in the 21st century Across more than forty chapters and with a diverse and inclusive list of authors this volume provides a broad yet nuanced view into entertainment media and communication scholarship The contributors explore its foundations define and extend key concepts and theories through myriad lenses discuss unique considerations of digital media and divine future paths for scholarly inquiry *Digital Marketing* Klaus Solberg Söilen, 2024-12-02 This textbook balances the theory of digital marketing with the practical skills for prospective marketers in professional organizations both public and private It begins with an introduction to the digital landscape following the structure of market segmentation B2C B2B applications as a starting point of digital marketing It then takes the readers through the customer journey use of social media and the rising importance of video based communication Given this background students will learn the organization technical skills and project management needed for digital marketing including online public relations communications and internet branding An extensive summary of strategies necessary to work with digital marketing in a longer perspective is also provided

Un-Trumping America Dan Pfeiffer, 2020-02-18 From the 1 New York Times bestselling author of *Yes We Still Can* and cohost of *Pod Save America* a sharp political playbook for how Democrats can take on the right wing circus dominating American politics There is nothing more important than beating Donald Trump in 2020 but defeating Trump is just the start of this timely book *Un-Trumping America* offers readers three critical insights first Trump is not an aberration but rather the logical extension of the modern Republican Party second how Democrats can defeat Trump in 2020 and third preventing the likes of Trump from ever happening again with a plan to fix democracy While the catalog of the president's crimes is long and growing undoing Trumpism the political platform of racism authoritarianism and plutocracy that gave rise to Trump and defines the Republican Party is a long and continuing fight Through a craven cynical strategy engineered by Mitch McConnell funded by the Kochs and fueled by Fox News propaganda Republicans have rigged American politics to drown out the voices of the people in favor of the powerful Without an aggressive response that recognizes who the Republicans are and what they have done American democracy as we know it won't survive this moment and a conservative shrinking mostly white minority will govern the country for decades *Un-Trumping America* dismantles toxic Trumpism and offers a way forward Dan Pfeiffer worked for nearly twenty years at the center of Democratic politics from the campaign trail to Capitol Hill to Barack Obama's White House But it was Trump's victory and Republicans incessant aiding and abetting of Trumpism that has radicalized his thinking Here Pfeiffer urges Democrats to embrace bold solutions from fixing the courts to abolishing the electoral college to eliminating the filibuster in

order to make America more democratic and Democratic Un Trumping America is a powerful call for Democrats and progressives to get smarter tougher and more aggressive without becoming a paler shade of orange Virtual Victorians Veronica Alfano, Andrew Stauffer, 2016-01-18 Exploring how scholars use digital resources to reconstruct the 19th century this volume probes key issues in the intersection of digital humanities and history Part I examines the potential of online research tools for literary scholarship while Part II outlines a prehistory of digital virtuality by exploring specific Victorian cultural forms

Research on ESL in U.S. Community Colleges Kathleen M. Bailey, Maricel Guiao Santos, 2009 As enrollment figures for ESL and former ESL students in higher education continue to grow it s necessary for educators who work with these students to reflect on current practices develop new understandings and take action when change is warranted This collection explores some of the most important challenges for English for Academic Purposes EAP educators in a crucial area of U S higher education community colleges Community college mission statements generally feature a strong commitment to meeting local needs The studies presented in this book serve to illustrate community connections and the social implications of them Readers will gain insight into relevant practice while learning from studies that can serve as a basis for additional research The chapters are organized according to five themes curricula technology retention and persistence identity and defining and assessing success areas that all ESL programs in community colleges are struggling to reform Each part features a sampling of research combined with varied perspectives on each topic

Originalism in Theology and Law Mark J. Boone, Mark D. Eckel, 2024-01-26 In the study of American law originalism is primarily a theory about the meaning of the Constitution that its meaning can only change when its words change Originalism also appears in biblical theology as a theory on the meaning of the Bible that its meaning is that intended by the original authors Originalism in Theology and Law Comparing Perspectives on the Bible and the Constitution offers a study of originalism in both the Bible and the Constitution While there are significant connections between originalism as a theory of biblical interpretation and as Constitutional interpretation there are also differences in the type of text as well as its purpose function origins or authority which may affect which nuanced version of originalism best fits a particular text or the best method of interpreting it
