Maglio,Mathias Weske,Jian Yang,Marcelo Fantinato,2010-11-25 This book constitutes the refereed proceedings of the 8th International Conference ICSOC 2010 held in San Francisco CA USA in December 2010 The 33 revised full papers and three full industry papers presented together with 18 short papers three PhD symposium posters and four regular posters were carefully reviewed and selected from 238 submissions The papers are organized in topical sections on Service and Business Process Modeling Service Management Quality of Service Service Science and Design Service Development and Run time Management High level Description Languages Service Level Agreements Service Engineering Methodologies Service Security Privacy and Trust Business Service Modeling Formal Methods and Service Applications     From Automated to Autonomous Driving Fabian Kröger,2024-04-01 This book presents the most important milestones of the research on automated and autonomous driving in the United States Japan and Europe throughout five decades 1950 2000 Drawing on sources from the automotive industry electrical engineering the robotics and AI domain and military institutions it retraces the transition from the guidance cable approach to vehicle based sensor and vision systems Giving a detailed overview of the technical concepts artefacts research vehicles and robots the book presents the transnational engineering efforts that started long before Silicon Valley entered the field In addition the book also uniquely details the role of the military in the domain of vehicle automation This all ensures the book is of great interest to historians of technology practitioners in engineering disciplines scholars working in mobility studies journalists and political decision makers     *Longshot* Zach Graumann,2022-05-24 In Longshot Andrew Yang s campaign manager takes you on a tour through the ups the downs and the math of Yang s 2020 campaign for president and shares the playbook his team used to navigate the attention economy Andrew Yang did not win the 2020 Democratic primary let alone the presidency of the United States But chances are you

know who Andrew Yang is and you may well be part of the 75 percent of Americans who now support Universal Basic Income both facts that would have seemed beyond unlikely at the start of Yang's campaign That campaign was helmed by Zach Graumann entrepreneur marketing expert and at the time political nonentity In fact when Graumann joined Yang 2020 no one on the team was an expert in campaigning but they all shared a fervent desire to change the future Yet despite that inexperience by the time Yang dropped out of the race in early 2020 he'd not only outlasted six senators four governors and three members of Congress he'd become one of the most recognizable popular political figures in the country Now for the first time Graumann tells the story of how Yang went from nobody to national presence breathing life into the behind the scenes antics of the unusual campaign that started a movement In the process he demystifies the world of political campaigns and provides takeaways that will help not only the next generation of campaign managers but anyone who wants to break into a new industry or stand out in their current one A book for everyone from members of the Yang Gang who want the inside story to businesspeople looking for self improvement to anyone who has ever had a dream that felt bigger than they were Longshot reminds you that sometimes longshots aren't quite as long as you think     **Exploring**
