

# CHATGPT PROMPTING CHEAT SHEET

## PROMPT COMPOSITION

**Task & Format:** Start by giving ChatGPT clear and precise instructions to avoid misunderstandings. Specify the type of content you want to create and the tone and style you prefer.

**Tone & Language:** Indicate the desired language and make sure the chosen tone is appropriate for the purpose and audience of your content.

**Goal & Purpose:** Describe the overarching goal of your content, such as engaging your customers, increasing brand awareness, or converting followers into buyers.

**Context & Audience:** Provide information about your brand, products, and target audience to help ChatGPT create relevant and appealing content.

**Content Type:** Mention the specific formats you want to create, such as videos, photos, or carousel posts.

**Thematic Focus:** Specify the topics you want to address in your content, e.g., fitness, nutrition, or mindfulness.

**Preferences:** Tell ChatGPT what kind of content you prefer and what you want to avoid, ensuring the results meet your expectations.

**Details:** A detailed and precise prompt is essential for obtaining high-quality results from ChatGPT. Take the time to carefully formulate your requirements, and ChatGPT will thank you with brilliant results.

Stephen M. Smith, Shaun Fanning, 2017-10-18 Give your kids their greatest chance at success Who Do You Think You Are helps parents school counselors and administrators get teens thinking about and interested in their future careers Success in college and beyond relies on thorough prior preparation by identifying interests and passions early on young people are better able to plan for the career they want by mapping out the academic path to support it This book shows you how to guide teens along on this journey and how to stick with them until they reach the goals they've set From helping them discover just what it is they're interested in to finding the institution that will help them flourish and setting out a clear plan of attack this book provides invaluable insight from an expert in student success No one expects every student to have a definitive life plan by high school graduation but having some idea of direction is critical Nearly 3.3 million students will graduate high school this year and most will head straight to college but just 20 percent of those who pursue an associate's degree complete within four years and only 60 percent of those who pursue a bachelor's degree complete within six years Even those who earn a degree may struggle to move from school to work Those who do succeed have done so because they've planned their work and worked their plans This book shows you how to help your child to be one of the success stories Map out an academic plan to support each kid's field of interest Identify the best fit institution to get them where they want to be Balance support and independence throughout your teen's journey Help your child be prepared for college so they can succeed far beyond Adults know that success in life comes from plenty of hard work and thorough preparation but for kids in middle and high school that lesson is just now beginning to hit home Who Do You Think You Are helps you guide them through the transition successfully so they can come out the other side exactly where they want to be

**PROMPT MAGIC Learn ChatGPT with Spells, Prompts, and Fun Recipes for Magical Thinking** Sugar Gay Isber McMillan, 2025-05-06 Prompt Magic Learn ChatGPT with Spells Prompts and Fun Recipes for Magical Thinking is an innovative interactive workbook designed to teach beginners how to effectively use AI tools like ChatGPT. Blending practical instruction with whimsical metaphors, the book guides readers through a series of spells, recipes, and rituals that serve as structured writing prompts and creative frameworks for learning. Presented as part of the Talk to Your Tools series, this title transforms the intimidating world of artificial intelligence into an accessible and engaging experience. Through the APE method (Ask, Persona, Example), readers learn to craft precise, powerful prompts that yield useful and imaginative results. Each chapter builds on the last, covering foundational prompt techniques, brainstorming exercises, writing enhancements, and even time travel style thought experiments. A dedicated Build Your Own Grimoire section invites readers to record their favorite prompts and customize their learning journey. Created by educator, artist, and author Sugar Gay Isber McMillan, Prompt Magic is ideal for teens, adults, educators, and creatives looking to explore AI as a collaborative tool. With a balance of guided structure and open-ended exploration, this book empowers users to think critically, communicate clearly, and create joyfully. Though the book draws on magical language for inspiration, it does not explore occult practices or dark arts. Rather, it uses the spellbook format as a fun and metaphorical way to teach readers how to unlock their own curiosity and creativity with AI. This is the third volume in the Talk to Your Tools series, following *The Prompt Whisperer* and *Brand You: AI Tools for Personal Growth*. Each book stands alone while contributing to a growing toolkit for navigating AI in a human-centered, imaginative way. Early reviews from readers like you: "This made me fall in love with ChatGPT and I was skeptical. Sugar has a way of explaining tech that feels like sitting with a wise friend over coffee." —Lisa M, tech-shy educator. "My marketing team now keeps this book on the table. It makes creative thinking easier and honestly more fun." —Jordan T, startup founder.
