majority of restaurants were able to pay 100% of their employees salaries This meant that it was possible to pay a manager less than a waiter and save money However with the inclusion of recruitment technology the cost of hiring employees is being cut by up to 50% This does not necessarily mean that the amount of profit is increased but employees are able to be assigned to different tasks meaning that they spend less time in front of customers thus increasing their profits Interested to know more Then Scroll up Click on Buy now with 1 Click and Get Your Copy Now **Time to Plan** Content Post Journal Planners,2019-09-27 Do you have trouble with Content and posts etc Here is a Social Media Planner to help you get organized and plan to relieve your stress regarding posting and content You can use this planner to organize Facebook Instagram Twitter Linkedin Pinterest Snapchat your blog posts and anything thing you need to post There are pages for Marketing Business goals target audience advertising social tasks and so much more Great gifts for Christmas holidays men boys women and girls *Content Strategy Planner - Second Edition* Sara Eatherton-Goff,2017-03-10 Add confidence to your content planning and publishing strategy with this step by step planner calendar action map and workbook Why did I create this planner Everyone either over complicated the process had a bunch of stuff I didn t care about or simply didn t have enough of the worthwhile aspects to make me want to buy an email and blog content planning tool So I created my ideal system The original Content Strategy Planner In this Second Edition I literally broke down my entire process of content planning strategy framework ing month to month and week to week preferences and combined the best aspects of my 3 most popular planners into the Content Strategy Planner The Content Strategy Planner walks you through the entire early and continuous blog and email content planning process to help you focus stay on task and achieve your S M A R T professional goals over the next 12 months This planner was designed for bloggers at any level One Content Strategy Planner will suit one blog If you manage more than one blog you ll need more than one planner The Content Strategy Planner includes Blogger resources strewn throughout the workbook Suggested use with a detailed walkthrough of How I Use This Content Strategy Planner A 16 page Content Mapping Strategy which covers your business and blog overview as well as detailed content brainstorming and mapping guides Monthly and weekly action mapping your editorial calendar with weekly focus boxes growth and review sections monthly prep 4 weekly plan pages per month and a monthly balance review Analytics and Metrics overview to track and monitor your growth as well as a section for notes to adjust your strategy as needed Opportunities pages to track and record all the unfinished or not yet begun opportunities for your business and blog Content planning pages which walk you through all the basics of up to 270 basic outlines for your email and blog contentThe Second Edition Content Strategy Planner is your all in one life content business development and action mapping workbook Grab your copy today It s ready to start whenever you are I m excited to have you as a Goff Creative customer I can t wait to help you take these next positive steps in your personal and professional future **How to Become a Digital Nomad** Annie Erling Gofus,Team TripScout,Konrad Waliszewski,2017-06-27 How to Become a Digital Nomad is the most practical step by
