software developer or engineer You will need to be able to confidently discuss the aforementioned issues with employers and colleagues In addition to conversational prompts to use as a guide during calls you ll find a plethora of additional material such as articles and links to videos to accompany the coaching learning process This eBook is fully interactive with clickable links and space to jot down vocabulary phrases with a chance for learners to practice in order to fully embed their new knowledge Whether you re teaching coaching with a platform such as Italki or running your own teaching business this eBook will provide you with further weapons to your arsenal to help your learners progress and reaching their English learning goals

Criticism of Feminism J. P. Brock, 2025-07-14 Sun Tzu taught Know yourself know your enemy and you will triumph Whether in battle or in conversation Only those who truly understand their counterpart can comprehend them yet many fail precisely at this Why do up to 60% of young men feel discriminated against by feminism Many attribute this to the loss of old privileges This analysis seeks to uncover why deeply ingrained role expectations identity conflicts and societal upheavals trigger psychological defensiveness Over 500 online verifiable sources underpin every thesis with facts examples and voices from academia politics social media and current events Simultaneously this book invites you to critically question every assumption and to continuously re evaluate your own stance You will learn What the actual discourse is about What holds men back and how they can confidently reposition themselves How targeted education can reduce the fear of crime Why simplistic blame assignment does not help Which shifts in perspective enable genuine dialogue Why empirical studies do not substantiate structural violence against women in the one sided intensified manner often presented in feminist discourse Prepare yourself for a read that will challenge you and empower you in conversations about equality A note on the translation This book was originally published in German and its English rendition was generated with the aid of Artificial Intelligence While carefully reviewed minor stylistic variations may exist compared to a purely human translation The integrity of the arguments and the extensive bibliography remain paramount Warning Those firmly entrenched in feminist or anti feminist convictions who are only seeking confirmation will encounter unfamiliar insights here
