Huang, Youcheng Liu, 2023-04-03 What's Our Problem? Tim Urban, 2023-02-21 From the creator of the wildly popular blog

Wait But Why a fun and fascinating deep dive into what the hell is going on in our strange unprecedented modern times Between 2013 and 2016 Tim Urban became one of the world's most popular bloggers writing dozens of viral long form articles about everything from AI to colonizing Mars to procrastination Then he turned his attention to a new topic the society around him Why was everything such a mess Why was everyone acting like such a baby When did things get so tribal Why do humans do this stuff This massive topic sent Tim tumbling down his deepest rabbit hole yet through mountains of history evolutionary psychology political theory neuroscience and modern day political movements as he tried to figure out the answer to a simple question What's our problem Six years later he emerged from the hole holding this book What's Our Problem is a deep and expansive analysis of our modern times in the classic style of Wait But Why packed with original concepts sticky metaphors and 300 drawings The book provides an entirely new framework and language for thinking and talking about today's complex world Instead of focusing on the usual left center right horizontal political axis which is all about what we think the book introduces a vertical axis that explores how we think as individuals and as groups Readers will find themselves on a delightful and fascinating journey that will ultimately change the way they see the world around them Anyway he wanted to say a lot more about all of this but there was a word limit on this book description so just go read the book Playing the Academic Game Bryn Williams-Jones, 2025-02-04

Playing the Academic Game is the culmination of two years of weekly posts on the BrynStorming blog by Bryn Williams Jones professor of bioethics in the School of Public Health at the Universit de Montr al As an ethicist long interested by questions of justice an important motivator for this project has been Williams Jones need to respond to the injustices encountered in academia Many students and researchers fail in their studies or career progression not because they don't have the intellectual abilities or drive but simply because they don't know what's expected of them or how to best present themselves in a competitive environment That is they don't know the rules of the game and this isn't fair because the rules are rarely made explicit In this book which is organized into 5 major sections The Academic Career Path Professional Identity University Life Productivity and Creativity and Multiple Responsibilities and Mental Health Williams Jones shares 30 years of experience in academia to make explicit the often implicit norms and rules of academic life so that all who wish to can fairly play the academic game Reputation in

Business Stuart Thomson, 2022-09-28 A compelling mix of reputation management crisis leadership and the role of politics in

business this book provides unique practical steps that leaders can take to protect their reputations and those of the organisations they head in an ever more open social media led world Although leaders increasingly recognise the vital intangible asset that reputation represents too many do not really understand what reputation is and the steps that should be taken to build it and their corporate value Given the range of factors depending on the organisation each aspect of its complex reputational story needs to be unpicked if a reputation is to be built maintained and protected This step by step guide offers advice on how to develop the strategies needed to do this provides clear lessons throughout from a range of experts and distinctively looks beyond the corporate sector to charities governments NGOs and the public sector Boards trustees non executive directors senior management and leaders of all types of organisations need to consider the steps that should be taken to build maintain and defend their reputation and that means knowing what their reputation is and the audiences that matter most to them This book is the roadmap **Adweek** ,2010 **Loose-leaf Version for Media**
