Yet, as revealed in this volume, entertainment media serve as cultural artifacts that shape our understandings of various peoples and publics in ways that invite deeper, immersive, and increasingly interactive engagement. On this backdrop, *Entertainment Media and Communication* serves as a reference guide for canonical and foundational research into media, entertainment, and a collection of emerging and updated theories and models core to the study of media, entertainment, in the 21st century. Across more than forty chapters and with a diverse and inclusive list of authors, this volume provides a broad yet nuanced view into entertainment media and communication scholarship. The contributors explore its foundations, define and extend key concepts and theories through myriad lenses, discuss unique considerations of digital media, and divine future paths for scholarly inquiry. **Make Money with YouTube AdSense:** Drew Anderson, 2025-08-14 *Make Money with YouTube AdSense* Unlock the potential of YouTube and transform your passion for video creation into a powerful source of income.
