**The Complete Guide to YouTube Automation** Zeke Sanders, 2024-10-08 This eBook is designed to be your guide to the fascinating world of automating your YouTube channel. Whether you're a seasoned content creator or a newcomer curious about what automation can do for you, this eBook will take you step by step through the process. The explosion of YouTube as a content platform has opened up enormous opportunities for content creators, entrepreneurs, and hobbyists alike. But as many YouTubers will tell you, the workload can be staggering. Consistently producing videos engaging with the audience, optimizing content, and managing monetization can feel overwhelming. Enter YouTube automation, the ultimate toolset to help you work smarter, not harder. Automation in YouTube is all about optimizing your workflow so that you can reduce the time spent on repetitive tasks. It enables you to focus more on the creative and strategic aspects while delegating time-consuming work to automation tools. Imagine having a YouTube channel that virtually runs itself. Well, it's not just a dream; many creators have successfully automated large portions of their process and significantly grown their channels as a result. In this eBook, we're going to cover everything you need to know, from the basics of automation to more advanced strategies. We'll start by helping you understand the YouTube algorithm and how it influences video discovery. Then we'll guide you through niche selection, content creation tools, scriptwriting automation, and much more. By the end, you'll be ready to create a highly optimized YouTube channel that can run on autopilot, allowing you to focus on growing your presence, engaging with your audience, or even launching multiple channels.

Delusive Speech in the Sharing Economy Julie Reid, 2025-03-04 In this examination of how the rise of online sharing economy platforms has facilitated online crime this book shows how while marketed as trustworthy peer to peer services these platforms are highly vulnerable to misuse by scammers and are used for the dissemination of delusive speech The analysis centres around the concept of delusive speech a sub set of disinformation designed to deceive and motivate by criminal intent Looking beyond the economic and disruptive impacts of sharing economy platforms like Uber Airbnb and others this book situates these Big Tech giants as mass

communication channels that are frequently misused by bad actors to distribute dangerous content globally Drawing from over 600 cases of victims lured into scams or physical danger via misleading Airbnb listings the book provides a detailed case study exposing Airbnb s failure to establish legitimate safety measures despite branding its platform as a community of trust Incorporating netnography and thematic analysis the author theorises the deceptive semiotic structure of delusive speech and evaluates practical mechanisms Airbnb could employ to prevent scams and crime on its platform With a global audience including researchers in communication and media studies digital media and media industries as well as tech journalists Silicon Valley critics policymakers and digital rights advocates this book unmasks how sharing economy giants like Airbnb contribute to an epidemic of online deception causing real world harm **PC Magazine** ,2008 **INFORMS Annual Meeting** Institute for Operations Research and the Management Sciences.
