More with Less Rose Dunn, 2007 Insufficient staff, limited financial resources, not enough hours in the day—these are just a few of the challenges that affect an HIM director's job. Every day they are pushed to the limit and strive to achieve more with less. Hire an on-site consultant for a fraction of the cost. Author Rose T. Dunn, RHIA, CPA, FACHE, FHFMA, is back with an updated version of her must-have resource. HCPro is pleased to introduce *More With Less: Second Edition: Best Practices for HIM Directors*. This book explains how to assess your current operations, shows you how to evaluate processes in your department, helps you identify which areas to streamline, improves processes in day-to-day operations. *More With Less* has been updated to address specific topics such as voice recognition, scanning, transcription, production, and duplicate numbers. We've also included several new bonus tools throughout the book. The strategies are suitable in every acute care setting, whether you're in a large city hospital or a small rural one. Learn how your peers tackle everyday functions. HIM directors, managers, and supervisors will find easy-to-understand and creative best-practice solutions for common HIM functions, as well as unique alternative solutions to everyday management questions such as: How much work should an average transcriptionist be able to produce? Good news: You can determine productivity averages within individual work settings, and this book shows you how. How can we retain records? Assess the value of the space that record archives consume against the basic cost of that space. This book presents several options to consider. What are the pros and cons of an electronic health record? Learn how to cope when extra files such as pre-op H/Ps and lab reports derail
