Father's Message in a Bottle Tyler Hayden, 2025-09-19 Father's Message in a Bottle is an inspirational collection of over 60 letters from fathers around the world to the people they love *HBR Working Dads Collection (6 Books)* Harvard Business Review, Daisy Dowling, 2022-11-22 Everything you need to have a successful career and be the dad you want to be. Finally we've moved past the days when providing for your family meant taking a backseat role in your children's lives. Still many working dads aren't finding the support and flexibility they need and the time management challenge of performing at work while being a present dad at home can feel impossible. The HBR Working Dads Collection can help you manage this tension. Drawing on the wisdom of world-class experts and parents alike, it provides practical advice on the topics most important to those who want to be great fathers and have impactful careers. The six books in this set: *Advice for Working Dads*, *Getting It All Done*, *Managing Your Career*, *Taking Care of Yourself*, *Communicate Better with Everyone*, and *Two Career Families* will teach you how to transition into your new role as a working father, communicate effectively with your employer and your family, prioritize time to address your personal needs, and navigate being part of a two-career family. There's no one simple answer or foolproof tip to make working fatherhood easy, but the strategies in this collection can help set you on a path toward finding success both in your career and as a dad. The HBR Working Parents Series with Daisy Dowling Series Editor supports readers as you anticipate challenges, learn how to advocate for yourself more effectively, juggle your impossible schedule, and find fulfillment at home and at work. Whether you're up with a newborn or planning the future with your teen, you'll find the practical tips, strategies, and research you need to make working parenthood work for you.

Management Consultancy for Innovation Christopher Williams, 2019-08-05 This book provides a new perspective on innovation in consultancy firms. Focusing on how consultancy firms can innovate in the modern era, it exposes and discusses key drivers for innovation in the industry. These are broken down into 5 dimensions or Poles relating to forms of capital: human capital, social capital, and three types of organizational capital that consultancy firms can use in order to innovate both for themselves and for their clients. Readers of this book will not only gain insight into the innovative consultancy from the perspective of each of these Poles. They will also discover how consultancy firms need to find the right way of connecting these Poles together in order to produce the desired innovation. Readers will learn about the dangers of misaligning the Poles as well as implications of innovative consultancy for ethics, academic research in the field of consultancy, and for careers. In addition to the academic literature, the book draws from real-world examples, cases, and practice insights from various parts of the world. This book will be of great use to those interested in pursuing a career in the consultancy industry, whether they are undergraduate and postgraduate Business Management students, students not necessarily studying in Business Schools, or others seeking a career move into consultancy. It will also be valuable to seasoned consultants and managers of consultancy firms seeking new ideas on how to develop innovative capabilities in an increasingly competitive industry. Put
