How To Get Into Ai Transcription Tool Tips For Us Audience:

Artificial Intelligence in Journalism Tony Silvia,2025-02-24 If artificial intelligence in its many forms scares you you are not alone Journalists in America and around the globe are grappling with how to use but not abuse the power of AI to write edit and even create entire news stories for a broad range of audiences It is entirely possible that you have already read a news story that has been composed with the assistance of AI models How does one make sense of this new technology within the landscape of journalism and democracy This book is among the first to address the societal cultural legal ethical and journalistic challenges facing the news industry Containing both scholarly research and interviews with journalists from major news organizations as well as media educators it ponders the place of AI in our lives and poses important questions about its future

Cyber Security in the Age of Artificial Intelligence and Autonomous Weapons Mehmet Emin Erendor,2024-11-19 Although recent advances in technology have made life easier for individuals societies and states they have also led to the emergence of new and different problems in the context of security In this context it does not seem possible to analyze the developments in the field of cyber security only with information theft or hacking especially in the age of artificial intelligence and autonomous weapons For this reason the main purpose of this book is to explain the phenomena from a different perspective by addressing artificial intelligence and autonomous weapons which remain in the background while focusing on cyber security By addressing these phenomena the book aims to make the study multidisciplinary and to include authors from different countries and different geographies The scope and content of the study differs significantly from other books in terms of the issues it addresses and deals with When we look at the main features of the study we can say the following Handles the concept of security within the framework of technological development Includes artificial intelligence and radicalization which has little place in the literature Evaluates the phenomenon of cyber espionage Provides an approach to future wars Examines the course of wars within the framework of the Clausewitz trilogy Explores ethical elements Addresses legal approaches In this context the book offers readers a hope as well as a warning about how technology can be used for the public good Individuals working in government law enforcement and technology companies can learn useful lessons from it

Diversifying the Space of Podcasting Tegan R. Bratcher,Alexis Romero Walker,2024-12-15 As the podcast studies field continues to gain momentum both within academia and in practice scholars have been mapping and exploring the podcasting landscape from a variety of perspectives This edited volume highlights the diverse spaces that podcasts embody and create amplifying the unique and understudied perspectives and voices of podcasting Through a multitude of interdisciplinary approaches contributors explore the various cultural racial and identity based markers undergirding the richness of the platform and argue that by understanding diverse content and content creators we enrich the field of podcast studies as a whole Scholars of media communication cultural podcast and critical race studies among others will find this book to be particularly useful
