

What are the benefits of remote working?

Remote work took off during the lockdowns and has **plenty of advantages** as a new way of working, for both people and the planet.

Less Commuting, Less Polluting

98% of a worker's carbon footprint is from commuting and working from home could save **3 million tonnes** of carbon a year.

Energy Efficiency

1.8% of the country's total energy could be reduced by working from home, while **eliminating** draining commute time for workers.

Breaking Borders

Remote work helps employers access a **pool of global talent**, helped by new technology to manage distant employees with ease.

Did you know?

Working from Home Increases Productivity by 13%.

This increase in performance was attributed to a **quieter, more convenient** working environment.

Employees save time, leaving more space for their personal and professional life - **they're happier, healthier, and less stressed.**

A better balance of home and work life.
