How To Choose Short Form Content Ideas Tips For Stay At Home Moms:

The Good Mother Myth Nancy Reddy, 2025-01-21 Timely and thought provoking Nancy Reddy unpacks and debunks the bad ideas that have for too long defined what it means to be a good mom When Nancy Reddy had her first child she found herself suddenly confronted with the ideal of a perfect mother a woman who was constantly available endlessly patient and immediately invested in her child to the exclusion of all else Reddy had been raised by a single working mother considered herself a feminist and was well on her way to a PhD Why did doing motherhood right feel so wrong For answers Reddy turned to the mid 20th century social scientists and psychologists whose work still forms the basis of so much of what we believe about parenting It seems ludicrous to imagine modern moms taking advice from midcentury researchers Yet their bad ideas about so called good motherhood have seeped so pervasively into our cultural norms In *The Good Mother Myth* Reddy debunks the flawed lab studies sloppy research and straightforward misogyny of researchers from Harry Harlow who claimed to have discovered love by observing monkeys in his lab to the famous Dr Spock whose bestselling parenting guide included just one 1 illustration of a father interacting with his child This timely and thought provoking book will make you laugh cry and want to scream sometimes all at once Blending history of science cultural criticism and memoir *The Good Mother Myth* pulls back the curtain on the flawed social science behind our contemporary understanding of what makes a good mom
