they're interested in finding the institution that will help them flourish and setting out a clear plan of attack this book provides invaluable insight from an expert in student success. No one expects every student to have a definitive life plan by high school graduation but having some idea of direction is critical. Nearly 3.3 million students will graduate high school this year and most will head straight to college but just 20 percent of those who pursue an associate's degree complete within four years and only 60 percent of those who pursue a bachelor's degree complete within six years. Even those who earn a degree may struggle to move from school to work. Those who do succeed have done so because they've planned their work and worked their plans. This book shows you how to help your child to be one of the success stories. Map out an academic plan to support each kid's field of interest. Identify the best fit institution to get them where they want to be. Balance support and independence throughout your teen's journey. Help your child be prepared for college so they can succeed far beyond. Adults know that success in life comes from plenty of hard work and thorough preparation but for kids in middle and high school that lesson is just now beginning to hit home. *Who Do You Think You Are* helps you guide them through the transition successfully so they can come out the other side exactly where they want to be. **Teens' Guide to College & Career Planning 11th Edition** Peterson's, 2012-04-30 Peterson's Teens Guide to College helpful checklists and worksheets to help keep you organized essential information to help you decide if the military is right for you expert financial aid advice and information on scholarships grants athletic awards loans work study and more Fun graphics along with the informative easy to read chapters make this the perfect guide for the teen on the go **Career Planning and Goal Setting for Teens** Stella Jacobs, 2024-02-10 Embark on a Journey to Success with Career Planning and Goal Setting for Teens Are you a teenager feeling overwhelmed by the daunting task of choosing a career path Do you struggle with setting achievable goals for your future Look no further This comprehensive guide is tailored specifically for teens like you aiming to demystify the process of career planning and goal setting In Career Planning and Goal Setting for Teens you'll discover Practical strategies for identifying your interests skills and values to pinpoint the ideal career path Step by step guidance on narrowing down career options and selecting the most suitable path for your aspirations Expert advice on setting SMART Specific Measurable Achievable Relevant Time bound goals to turn your career dreams into actionable plans Tips and techniques to overcome obstacles and stay motivated on your journey towards success With insights and exercises designed to empower and inspire this book equips you with the tools you need to make informed decisions about your future Whether you're just beginning to explore career options or seeking to refine your goals Career Planning and Goal Setting for Teens is your roadmap to a fulfilling and successful future Start your journey today **Success Tips 4 Teens**, 2010-03-12 **Tips for Teens** Susan Haag, Heidrick & Struggles (Firm), Shaker Heights Public Library, 1995 *What Do You Really Want? : how to Set a Goal and Go for It! : a Guide for Teens* Beverly K.
