Content Strategy at Work Margot Bloomstein,2012-01-25 Content is king and the new kingmaker and your message needs to align with your model and metrics and other mumbo jumbo right Whether you re slogging through theory or buzzwords there s no denying content strategy is coming of age But what s in it for you And if you re not a content strategist why should you care Because even if content strategy isn t your job content s probably your problem and probably more than you think You or your business has a message you want to deliver right You can deliver that message through various channels and content types from Tweets to testimonials and photo galleries galore and your audience has just as many ways of engaging with it So many ways so much content so where s the problem That is the problem And you can measure it in time creativity money lost opportunity and the sobs you hear equally from creative directors project managers and search engine marketing specialists The solution is content strategy and this book offers real world examples and approaches you can adopt no matter your role on the team Put content strategy to work for you by gathering this book into your little hands and gobbling up never before seen case studies from teams at Johns Hopkins Medicine MINI Icebreaker and more Content Strategy at Work is a book for designers information architects copywriters project managers and anyone who works with visual or verbal content It discusses how you can communicate and forge a plan that will enable you your company or your client get that message across and foster better user experiences Presents a content strategy framework and ways to implement in both in house marketing departments and consultancies Includes case studies interviews and lessons learned from retail apparel network television business to business automotive non profit and higher ed brands Details practical sales techniques to sell content strategy and use content strategy processes to sell other services and larger projects

What Is Content Strategy? A Beginner's Guide To Standing Out Online Sandra Shillington,2019-06-14 If you re looking for content marketing made easy this book gives you a simple plan to get started The companion guide to The One Year Content Strategy Workbook this book answers the basic questions many entrepreneurs have when they first think about digital marketing It guides you through the one year content planning journal so you can create client attracting to content for your business It will help you create an editorial blog calendar and develop a digital marketing strategy through defining your brand identity target market audience persona and content style guide It will help you develop a content plan and strategy for your business organize your ideas and create an editorial blog calendar

Everybody Writes Ann Handley,2014-09-15 Finally a go to guide to creating and publishing the kind of content that will

make your business thrive Everybody Writes is a go to guide to attracting and retaining customers through stellar online communication because in our content driven world every one of us is in fact a writer If you have a web site you are a publisher If you are on social media you are in marketing And that means that we are all relying on our words to carry our marketing messages We are all writers Yeah but who cares about writing anymore In a time challenged world dominated by short and snappy by click bait headlines and Twitter streams and Instagram feeds and gifs and video and Snapchat and YOLO and LOL and tbt does the idea of focusing on writing seem pedantic and ordinary Actually writing matters more now not less Our online words are our currency they tell our customers who we are Our writing can make us look smart or it can make us look stupid It can make us seem fun or warm or competent or trustworthy But it can also make us seem humdrum or discombobulated or flat out boring That means you ve got to choose words well and write with economy and the style and honest empathy for your customers And it means you put a new value on an often overlooked skill in content marketing How to write and how to tell a true story really really well That s true whether you re writing a listicle or the words on a Slideshare deck or the words you re reading right here right now And so being able to communicate well in writing isn t just nice it s necessity And it s also the oft overlooked cornerstone of nearly all our content marketing In Everybody Writes top marketing veteran Ann Handley gives expert guidance and insight into the process and strategy of content creation production and publishing with actionable how to advice designed to get results These lessons and rules apply across all of your online assets like web pages home page landing pages blogs email marketing offers and on Facebook Twitter LinkedIn and other social media Ann deconstructs the strategy and delivers a practical approach to create ridiculously compelling and competent content It s designed to be the go to guide for anyone creating or publishing any kind of online content whether you re a big brand or you re small and solo Sections include How to write better Or for adult onset writers How to hate writing less Easy grammar and usage rules tailored for business in a fun memorable way Enough to keep you looking sharp but not too much to overwhelm you Giving your audience the gift of your true story told well Empathy and humanity and inspiration are key here so the book covers that too Best practices for creating credible trustworthy content steeped in some time honored rules of solid journalism Because publishing content and talking directly to your customers is at its heart a privilege Things Marketers Write The fundamentals of 17 specific kinds of content that marketers are often tasked with crafting Content Tools The sharpest tools you need to get the job done Traditional marketing techniques are no longer enough Everybody Writes is a field guide for the smartest businesses who know that great content is the key to thriving in this digital world
