future of work this is a must read If you re a policymaker business leader or researcher this book unveils the hidden forces shaping the workforce of the future Carlos Grider a global business strategist former management consultant and intelligence specialist draws from 7 years 60 countries and 100s of interviews to craft a captivating and authoritative exploration of modern nomadism Digital Nomad Nation is to the future of work what Malcolm Gladwell s Outliers was to success an eye opening look at a movement transforming the world in not just how we work but how we live and connect across borders Start reading today to join the Digital Nomad Nation and discover how you can be part of this global revolution Topics digital nomadism remote work future of work location independence and digital nation Genres Sociology of the Future of Work Digital Nomad Lifestyle Remote Work Global Movement and Location Independence *The New (Ab)Normal* Yossi Sheffi, 2020-10-01 Much has been written about Covid 19 victims how scientists raced to understand and treat the disease and how governments did or did not protect their citizens Less has been written about the pandemic s impact on the global economy and how companies coped as the competitive environment was upended In his new book *The New Ab Normal* MIT Professor Yossi Sheffi maps how the Covid 19 pandemic impacted business supply chains and society He exposes the critical role supply chains play in helping people governments and companies to manage the crisis The book draws on executive interviews pandemic media coverage and historical analyses Sheffi also builds on themes from his books *The Resilient Enterprise* 2005 and *The Power of Resilience* 2015 to enrich the narrative The author paints a compelling picture of how the Covid 19 virus is changing many facets of human life and what our post pandemic world might look like This must read book helps companies to redefine their business models and adjust to a fast evolving economic landscape The stage is set In Part 1 of the book *What Happened* the author looks at how companies fought to mend the global economic fabric even as the virus ripped more holes in it Part 2 *Living with Uncertainty* views the crisis through a supply chain risk management lens derived from Yossi Sheffi s previous books This perspective shows how companies create corporate immune systems to quickly recognize and manage large scale disruptions The ongoing pandemic is creating a new normal in life work and education covered in Part 3 *Adjustment Required* Consumer fears about the contagion as well as government mandates require businesses in industries such as retail hospitality entertainment sports and education to create safe zones for workers and customers Many elements of the book especially in Part 4 *Supply Chains for the Future* show how the virus accelerated preexisting trends in technology adoption China was the epicenter of the pandemic it also was the first nation to be disrupted and recover Part 5 of the book *Of Politics and Pandemics* explains why reports that companies are abandoning China in favor of other offshore manufacturing centers do not reflect reality Fundamentally *The New Ab Normal* is about businesses trying to create a better future in a time of extreme uncertainty a point emphasized in Part 6 *The Next Opportunities* The outlook is not necessarily gloomy The advance of technology is accelerating a trend that can level the playing field between small and large companies Nimble small businesses are using a growing array of off the shelf cloud

computing and mobile apps to deploy sophisticated technologies in their supply chains and customer interfaces The New Ab Normal Another new normal is working from home Remote working enables individuals to live anywhere and companies to recruit talent from anywhere Education especially higher education faces a major disruption and major opportunity that is likely to shake the high cost model of in person education in favor of online or hybrid education Regrettably the book recognizes one trend accentuated by Covid 19 the growing inequality and anticipates that the new normal will be more stratified

The Marvellous Connections Between ESG and Taxation Luis Wolf Trzcina, 2025-02-17 When we consider taxes as not merely paying an obligation but as a contribution to a more equitable society we have taken a giant step toward supporting environmental and social initiatives encouraging responsible business practices and driving innovation This extraordinary book explores the intersection of ESG Environmental Social and Governance and taxation offering a comprehensive perspective on how ESG can positively influence sustainable finance tax compliance transparency and corporate responsibility Drawing not only on the historical significance of taxation in fostering progress but also on the Japanese concept of ikigai sense of fulfilment and the humanist psychology associated with Victor Frankl the author's strikingly original approach to tax law pulls together new perspectives on a variety of current global concerns around taxation including the following social pressure on investors ethical supply chain digital economy and fair share of taxes profit shifting and the BEPS project transfer pricing the European Green Deal extractive industries transparency initiative tax effects of carbon credits promise of green hydrogen and executive compensation linked to ESG performance The analysis shows that when companies and tax professionals integrate ESG principles into their tax approach they align their contributions with a broad commitment to positive change because they strengthen both their reputational capital and societal impact and clearly distance themselves from the common toxic practices so widely excoriated in the tax literature The analysis will also empower tax professionals with the tools insights and mindset to leverage tax policies as catalysts for sustainable development tax as an instrument to impact behaviour This book serves as a practical guide for corporate executives and policymakers who seek to understand how ESG aligned tax practices affect public perception and stakeholder trust and thus assist them in crafting strategies that enhance brand reputation and credibility and create a positive impact on civil society worldwide
