The Rough Guide to Ireland Margaret Greenwood, Mark Connolly, 2003 Including detailed guidance to exploring the countryside and historic sites this fully revised guide offers a complete picture of the beautiful island of Ireland north and south of color photos

Media Authorship Cynthia Chris, David A. Gerstner, 2013 Contemporary media authorship is frequently collaborative participatory non site specific or quite simply goes unrecognized In this volume media and film scholars explore the theoretical debates around authorship intention and identity within the rapidly transforming and globalized culture industry of new media Defining media broadly across a range of creative artifacts and production cultures from visual arts to videogames from textiles to television contributors consider authoring practices of artists designers do it yourselfers media professionals scholars and others Specifically they ask What constitutes media and authorship in a technologically converged globally conglomerated multiplatform environment for the production and distribution of content What can we learn from cinematic and literary models of authorship and critiques of those models with regard to authorship not only in television and recorded music but also interactive media such as videogames and the Internet How do we conceive of authorship through practices in which users generate content collaboratively or via appropriation What institutional prerogatives and legal debates around intellectual property rights fair use and copyright bear on concepts of authorship in new media By addressing these issues Media Authorship demonstrates that the concept of authorship as formulated in literary and film studies is reinvigorated contested remade even reauthored by new practices in the digital media environment

Culture of Excellence Bijibilla Rama Rao, 2025-10-19 A culture of excellence is one where every person in the organization not only leadership is committed to delivering exceptional results It s a matter of creating an environment where individuals feel empowered to innovate problem solve and continuously improve Excellence is one of those words that you hear thrown around a lot If we are not careful it has the potential to turn into a buzzword of sorts However excellence is a work ethic and a leadership philosophy It s about having high standards holding ourselves accountable to them and building a culture where individuals thrive But let s get real building a culture of excellence is not

simple It requires commitment consistency and sometimes a willingness to disrupt the status quo Leadership by example When leaders walk their talk on a daily basis it sets a ripple effect for the rest of the organization Consider excellent leaders you look up to whether in business sports or the nonprofit sector They motivate others not only with what they say but with what they do An unstoppable quest to get better Successful companies don't accept good enough They say How can we do this better and implement systems to monitor and gauge improvement A strong dedication to customer service Internal departments or external customers a culture of excellence focuses on providing value and surpassing expectations An engaged motivated workforce When individuals feel appreciated and know that they're working toward the greater good they show up to work as their best selves Leadership by example When leaders walk their talk on a daily basis it sets a ripple effect for the rest of the organization Consider excellent leaders you look up to whether in business sports or the nonprofit sector They motivate others not only with what they say but with what they do An unstoppable quest to get better Successful companies don't accept good enough They say How can we do this better and implement systems to monitor and gauge improvement A strong dedication to customer service Internal departments or external customers a culture of excellence focuses on providing value and surpassing expectations An engaged motivated workforce When individuals feel appreciated and know that they're working toward the greater good they show up to work as their best selves
