communities with their customers and developing true brand loyalty With many brands seeing social media solely as a way to mass promote their products brands who really put social at the front and center are able to connect with consumers in authentic ways creating audience empathy and emotional resonance By understanding how social media speaks to human behavior brands who put social first are able to move beyond quick wins and hacks and create genuine connections and conversations between brand and customer delivering real value From understanding the steps for creating a social media strategy that is bespoke choosing and developing the right personality for your brand on social media or understanding how to create content that is consistent this book covers everything you need to know to ensure your brand's socials generate loyal fans With real world examples from companies such as Crocs Stanley Funko and Ryanair use this book to ensure your social media strategy creates real impact

An Ethnography of a Vodun Shrine in Southern Togo Eric Montgomery, Christian Vannier, 2017-02-13 In this book Eric Montgomery and Christian Vannier provide an ethnographically informed text on the cultural meanings and practices surrounding the gods and metaphysics of Vodun as they relate to daily life in an ethnic Ewe fishing community on the coast of southern Togo The authors approach this spirit possession and medicinal order through shrine ethnography understanding shrines as parts of sacred landscapes that are ecological economic political and social Giving voice to practitioners and situating shrines and Vodun itself into the history and political economy of the region make this text pertinent to the social changes and global relevance of Millennial Africa

Aesthetics of Participation Jeremy Hektor Payne-Frank, 2024-12-31 This book explores the way people participate with the Oslo Opera House Norway As an iconic and culture led building these different modes of participation reveal the tensions between staged space and individual experience Movement materiality light and art are viewed through an atmospheric lens to demonstrate how architecture can shape people's engagement with and understanding of urban space This book contributes to a growing literature on atmosphere in relation to our experience of the built environment In adopting this atmospheric perspective the book speaks to the concerns of designers users and researchers interested in the way contemporary development infuses our cities with the experiential as a means of developing access participation and democracy It explores the ways in which people experience a building held up against the claims intentions and assumptions that surround it The book's focus on design participation and experience in relation to political ideals will appeal to architects planners and academics concerned with the production of space Equally its underlying atmospheric contribution and methodological approach will be of interest to designers scholars professionals and students of atmosphere affect and atmosphere architecture city planners and urban developers human geographies anthropology and urban studies

Theatre for Women's Participation in Sustainable Development Beth Osnes, 2013-11-26 Though development researchers have proven that the participation of women is necessary for effective sustainable development development practitioners still largely lack culturally appropriate gender sensitive tools for including women especially women living in poverty Current tools used in the development approach often

favour the skill set of the development practitioner and are a mismatch with the traditional gendered knowledge and skills many women who are living in poverty do have This study explores three case studies from India Ethiopia and the Guatemala that have successfully used applied theatre for women s participation in sustainable development This interdisciplinary book has the opportunity to be the first to bring together the theory scholarship and practice of theatre for women s participation in sustainable development in an international context This work will be of great interest to scholars and practitioners in a wide variety of fields who are looking for creative solutions for utilizing the contributions of women for solving our global goals to live in a sustainable way on this one planet in a just and equitable manner *CD-ROMs in Print* ,1998 Urban Land ,1997 **Book Review Digest** ,1995 **Choice** ,1997 **Forthcoming Books** Rose Arny,1996 The Guardian Index ,2002 **Sociological Abstracts** Leo P.
