**Doing Unto Others** Zick Rubin, 1974-01-01      **Doing Unto Others** Zick Rubin, 1974      **The Social and Built Environment in an Older Society** Institute of Medicine, Committee on an Aging Society, 1988-02-01 Third in the series this book addresses the social implications of architectural and interpersonal environments for older people It suggests how society and its structures can enhance the productivity of and preserve the quality of life for older residents in a community The study investigates new approaches to the problem including new housing alternatives and new strategies for reflecting the needs of the elderly in housing construction      **Exploring Moral Injury in Sacred Texts** Joseph McDonald, 2017-05-18 In this collection the first of its kind prominent scholars explore the intersections of research on moral injury in contexts of war and violence and how scriptures of Judaism Christianity Islam Buddhism and American civil religion depict and address moral injury      **Fascism and Democracy in the Human Mind** Israel W. Charny, 2006-01-01 What might you have done if you had been caught up in the Holocaust In My Lai In Rwanda Confronted with acts of violence and evil on scales grand and small we ask ourselves baffled how such horrors can happen how human beings seemingly like ourselves can commit such atrocities The answer I W Charny suggests in this important new work may be found in each one of us in the different and distinct ways in which we organize our minds An internationally recognized scholar of the psychology of violence Charny defines two paradigms of mental organization the democratic and the fascist and shows how these systems can determine behavior in intimate relationships social situations and events of global significance With its novel conception of mental health and illness this book develops new directions for diagnosis and treatment of emotional disorders that are played out in everyday acts of violence against ourselves and others Fascism and Democracy in the Human Mind also offers much needed insight into the sources and workings of terrorism and genocide A sane radical statement about the guiding principles underlying acts of violence and evil this book sounds a passionate call for the democratic way of thinking which recognizes complexity embraces responsibility and affirms life      *Community and Culture in Post-Soviet Cuba* Guillermina De Ferrari, 2014-03-14 Following the disintegration of the Soviet Union the globalization of Cuban culture along with the bankruptcy of the state partly modified the terms of intellectual engagement However no significant change took place at the political level In Community and Culture in Post Soviet Cuba De Ferrari looks into the extraordinary survival of the Revolution by focusing on the personal political and aesthetic social pacts that determined the configuration of the socialist state Through close critical readings of a representative set of contemporary Cuban novels and works of visual art this book argues that ethics and gender rather than ideology account for the intellectuals fidelity to the Revolution Community and Culture does three things it demonstrates that masculine sociality is the key to understanding the longevity of Cuba s socialist regime it examines the sociology of cultural administration of intellectual labor in Cuba and it maps the emergent ethical and aesthetic paradigms that allow Cuban intellectuals to envision alternative forms of community and civil society

**The Experience of Retirement** Robert S. Weiss, 2018-05-31 Retirement brings with it the promises of leisure and freedom as well as the risks of boredom and isolation When retirees rid their schedules of anything resembling the kinds of obligations that once had been imposed by work they will experience a sometimes uncomfortable absence of structure In *The Experience of Retirement* the distinguished sociologist Robert S Weiss provides a detailed description of how some people plan their retirement what life in retirement is like and what makes for a fulfilling retirement His engaging book can thus serve as a most useful guide Weiss shows us both retirement's benefits and its possible costs both the relief retirees can feel once free of work's stresses and constraints and the discomfort that can be caused by loss of the positive aspects of working life The book is based on extensive interviews with eighty nine men and women before and after their retirement from middle income careers Weiss makes vivid their experiences by presenting in their own words their descriptions of leaving their careers considering what to do with their time confronting issues of income in retirement dealing sometimes with social isolation and reorganizing their lives The interviews reveal the way in which retirement affects marriages and other familial relationships Weiss concludes by presenting advice about retirement based on the actual experiences of retirees For anyone approaching the age of retirement or already retired and looking for a more satisfying post career life for personnel managers health care professionals and all those who provide services for the retired *The Experience of Retirement* will be an illuminating guidebook to this phase of life
