Dolto Lacan Y El Estadio Del Espejo:

Dolto, Lacan y el estadio del espejo Gérard Guillerault, 2005 Dolto y Lacan contribuyeron a diseñar el paisaje psicoanalítico de nuestros días Pero surge una pregunta cual es el contenido de esta articulación entre estos dos clínicos eminentes En quien se basa exactamente lo que hizo perdurable su camaradería Tal la interrogación que enfrenta en esta obra Gerard Guillerault tomando por eje de discusión la temática fundamental del estadio espejo de la que procede la conceptualización lacaniana sobre la que Françoise Dolto desarrolló la noción de imagen inconsciente del cuerpo **Redes y obstáculos** Luis Roca Jusmet, 2013-05-31 El origen de este libro surge de la pregunta sobre el fondo no racional que se oculta detrás de las ideas las argumentaciones y de las identidades El lenguaje lo simbólico las representaciones e identificaciones el imaginario y la forma en que articulamos en forma de guión nuestros deseos la fantasía conforman esta red desde la que tejemos nuestras creencias Se trata de ver también cómo estas redes se convierten en obstáculos para el conocer y para el querer Es en la ilusión y en el delirio donde caemos en la distorsión generada por la red de lo simbólico y lo imaginario También la identidad puede convertirse en una máscara que nos oculte a nosotros mismos y nos encierre en el círculo del narcisismo Todo este recorrido te rico está elaborado a partir de un encuentro entre la filosofía el psicoanálisis las neurociencias y la sociología para darle un enfoque interdisciplinario y crítico **Temas actuales de la Psicología del desarrollo en la infancia y la niñez** Silvina Cohen Imach, 2022-06-28 Temas actuales de la Psicología del desarrollo en la infancia y la niñez Hacia un cambio de paradigma desde la perspectiva del curso vital pretende ser una obra al alcance de quienes comienzan a transitar los caminos de la Psicología con el objeto de brindarles herramientas teóricas lógicas investigativas e interrogantes actuales sobre la Psicología del Desarrollo en la infancia y la niñez Infancia que no es un pasaje ni un tiempo universal sino que ser un tiempo atravesado por cuestiones sociales económicas históricas familiares y hasta políticas que se entrelazan dando como resultado cursos vitales singulares En sus páginas se reflexiona sobre la novedosa perspectiva del curso vital el contexto familiar el acto de nacimiento y su significación psicológica juego y dibujo psicomotricidad sexualidad y nuevas sexualidades además de los conceptos ya clásicos de la psicología del desarrollo aspectos que sin dudas impactan en las formas de ser y de enfermar de los más pequeños Silvina Cohen Imach **La vida como un juego existencial: ensayitos** Carlos Arturo Ramírez Gómez, 2012-01-01 Este libro presenta una forma de escritura muy particular pues cada uno de los ensayitos es una conjetura provisional que se va desplegando a medida que se entretienen los textos dando al lector la posibilidad de captar un estilo de vida un modo de apreciar la realidad y una posición pluralista sobre diversos temas relacionados con la psicología la filosofía el psicoanálisis la educación la política la ciencia el amor la alegría la responsabilidad entre otros Carlos Arturo Ramírez recrea la actitud del jugador existencial una alegre sencilla y sabia manera de vivir que despreocupado e inaprensivo pero interesado y curioso toma sus elecciones como apuestas con valentía para enfrentar el destino y con responsabilidad para asumir sus actos Su escritura sencilla en algunos casos y crítica en

otros invita al lector a descubrir diversos sentidos y conceptos trabajados en diferentes ensayitos y a explorar otros autores dejando en ocasiones pistas para que continúe sus indagaciones y busques si ese es su deseo *Psicología y familia* Miguel Ángel Millán, Salvador Serrano, 2002 Esta publicación constituye un trabajo de síntesis de algunos de los modelos teóricos de la psicología y su aplicación al trabajo con determinados grupos de familias **Introducción a las psicoterapias**

psicodinámicas, experienciales, sistémicas, constructivistas e integradoras Begoña Rojí Menchaca, Luis Ángel Saúl Gutiérrez, 2023-06-09 Introducción a las Psicoterapias Psicodinámicas Experienciales Sistémicas Constructivistas e Integradoras recoge los contenidos teóricos del segundo cuatrimestre de la asignatura Introducción a los Tratamientos Psicodinámicos Experienciales Sistémicos Constructivistas e Integradores materia opcional de la especialidad de Psicología Clínica del grado en Psicología ofrecido por la UNED En consecuencia el libro ha sido elaborado con las pautas metodológicas habituales en los textos básicos de esta universidad ya que su objetivo no es otro que proporcionar a sus alumnos una formación significativa y rigurosa en los temas que aborda Por ello este libro constituye un expositor contextualizado y crítico de contenidos que la producción editorial presenta habitualmente de manera desmembrada En definitiva este libro constituye un manual para obtener una visión de conjunto de los ámbitos psicoterapéuticos ajenos a la intervención cognitivo conductual **VÍDIO A PARTIR CURSO 23-24** **Tramas de psicoanálisis** Raúl Levin, 2021-01-09 Este libro es una selección de trabajos

que Raúl Levin ha publicado a lo largo de su desempeño académico y ahora lo presenta a un grupo más amplio de lectores y que refieren a distintos temas tratados desde el psicoanálisis como la subjetividad y sus transformaciones lo irrepresentable la clínica en la persona real del analista y la transferencia la contratransferencia y el malestar los sueños y las pesadillas Auschwitz y el psicoanálisis el juego y el juguete las mitologías de la metapsicología en relación a la pulsión el mundo exterior y la niñez y muchos otros temas que si bien pueden apreciarse por separado pueden leerse como entrelazados en una trama o más bien como ideas silenciosas y personales del autor que se suceden en cada uno de estos trabajos Metáforas del cuerpo Margarita Baz, 1996 La temática actual en numerosos espacios académicos y editoriales es la noción de mujer en la sociedad actual Este libro pretende buscar las claves para resolver esta problemática Para ello va a recurrir a la metáfora que nos permitiera un mejor entendimiento Así estudia el cuerpo elemento inseparable de nuestra existencia como si se tratara de la danza Estudia a las bailarinas de México y afirma que la danza tiene la lógica de la metáfora una metáfora de vida la bailarina como metáfora de mujer y los cuerpos como metáforas de los enigmas de la existencia humana

Fundamentación conceptual para una intervención psicomotriz en educación física José Luis Pastor Pradillo, 2002 Esta obra aborda una fundamentación teórica y conceptual sobre la que argumentar la posterior intervención psicomotriz dentro del ámbito de la Educación Física Desde una perspectiva interdisciplinar se muestra una descripción global y holística del tratamiento de lo corporal del movimiento y de la estructura psicomotriz Partiendo de un planteamiento antropológico analiza aquellos conceptos necesarios para elaborar cualquier alternativa metodológica posterior La
