

# Domestic Violence: A Cross-Cutting Issue for Social Workers

# Domestic Violence Guidelines For Researchinformed Practice

**John P. Vincent, Ernest N. Jouriles**

## **Domestic Violence Guidelines For Researchinformed Practice:**

**Domestic Violence** John P. Vincent,Ernest N. Jouriles,2000 There is growing concern that domestic violence has reached epidemic proportions Existing services developed by mental health professionals frequently have minimal impact on reducing either the frequency or severity of domestic violence As a result science practitioners in this field have developed new clinical research programs to inform key practice issues and improve these services Domestic Violence Guidelines for Research Informed Practice describes recently developed intervention programs which have been shown to be effective for reducing the incidence severity or impact of domestic violence in particular populations It also features assessment programs that identify risk profiles of potential perpetrators and victims The contributors present a comprehensive account of these cutting edge approaches designed to enhance the quality and effectiveness of service initiatives in domestic violence **The Practitioner's Guide to Working with Families** Margaret Bell,Kate Wilson,2017-03-14 This book offers a clear and coherent guide to working with families for practitioners and students in social work health counselling and related professions It brings together recent thinking on the historical and contemporary constructions of the family in such a way as to provide a helpful framework for practitioners working in a variety of settings in the field It offers up to date information on political legislative and theoretical frameworks and it reviews and illustrates a wide range of approaches and practice skills for working with families with different problems in different contexts **Preventing Domestic Homicides** Peter Jaffe,Katreena Scott,Anna-Lee Straatman,2020-03-31 Preventing Domestic Homicides Lessons Learned from Tragedies focuses on the diverse nature of domestic homicides and what has been learned about the most effective prevention strategies from emerging research and the work of domestic violence death review committees in Canada the US the UK NZ and AU Each chapter focuses on different populations specifically older women youth dating relationships indigenous women immigrant and refugee populations rural remote communities same sex relationships homicides with police military domestic homicide in the workplace and children killed in the context of domestic violence Topics cover current research risk factors and include case studies from domestic homicide review committees Cases are summarized regarding major themes and recommendations such as public awareness professional training risk assessment intervention and collaboration amongst service systems Written for academic and domestic violence researchers in sociology criminology psychology and psychiatry by global contributors with on the ground domestic homicide experience *The Handbook of Forensic Psychology* Irving B. Weiner,Allen K. Hess,2006-04-20 This is a fully revised and updated version of the top academic work in forensic psychology Focussed mainly on the practical aspects of forensics this volume provides all readers need to know to be effective practioners Detailed sections cover both civil and criminal forensic practice forensic report writing treating mental illness in the incarcerated andethicsal issues Contributors are the best known and most respected practitioners in the field from the US and Canada All chapters are completely revised from the previous edition including 6 which have new authors Forensic

psychology is one of the fastest growing specialties in the field Its practitioners are able to avoid managed care and structured settings and they often focus on assessment rather than long term treatment of clients With the growing public interest in all things forensic most graduate programs in psychology have added at least one course in forensic psychology over the past few years and more established professionals are entering the field every day *Advances in Social Work* Indiana University School of Social Work,2006 This special issue of the journal *Advances in Social Work* captures the vision of 21 different social work scholars looking ahead to the future in their area of practice Areas include Futures of Social Work as a profession Social Work Education Social Work Values and Ethics Global Social Work Multicultural Social Work Macro Social Work Social Welfare Policy Evidence based Social Work Strengths based Social Work Technology and Social Work Spirituality and Social Work Disabilities and Social Work Aging and Social Work Rural Social Work Families and Social Work Child Welfare and Social Work Schools and Social Work Health Care and Social Work Mental Health and Social Work Addictions and Social Work Criminal Justice and Social Work This insightful special issue offers a grand view of a very diverse profession and the many areas of practice that social workers serve in This special issue will be highly useful in all levels of social work education within introductory policy and practice classes as an invaluable teaching tool It will also be informative reading for professionals in the practice who are interested in seeing cutting edge visions of our future as a profession Every social worker should read this fascinating issue of *Advances in Social Work*

**Violent and Sexual Offenders** Jane Ireland,Carol Ireland,Philip Birch,2018-08-15 Building on the success of the first edition and the growth of research in the field over the past decade this book offers an authoritative overview of the assessment treatment and management of violent and sexual offenders This new and expanded edition reflects the considerable developments in research and empirical data and captures the increasing breadth of risk assessment approaches the wider range of empirically based therapies and the more creative means of considering management The second edition captures key developments in this area with new chapters drawing on a range of pressing contemporary issues such as female offenders Internet offenders terrorists young people involved in harmful sexual behaviour and protective factors for aggression There is also extended coverage of the management of offenders within secure settings and in the community referring to a wider variety of approaches and the incorporation of technology This book will be of considerable interest to academics practitioners and students engaged with understanding and or treating violence and aggression sex crime forensic psychology and the assessment treatment and management of offenders

Family Interventions in Domestic Violence John Hamel, Tonia L. Nicholls, 2007 Print CourseSmart *International Journal of Comparative and Applied Criminal Justice*, 2008 **Family Violence Across the Lifespan** Ola W. Barnett, Cindy L. Miller-Perrin, Robin D. Perrin, 2005 Providing a comprehensive introduction to the etiology prevalence treatment and prevention of family violence this title is updated and expanded to achieve a deeper understanding of current trends within the field Preventing Violence John R. Lutzker, 2006 Annotation This is the only book available that offers current data

based analyses from leaders in violence prevention with a strong scientific perspective Contributors examine a range of violence that occurs in our culture including child maltreatment youth violence intimate partner violence and suicide They often draw on large scale studies conducted by the government in their discussions of approaches to violence prevention Violence is a serious public health problem that can be prevented and this book offers methods to accomplish that goal through programs at all levels of society from school based interventions to changes in government policy *An Integrated Approach to Understanding the Effects of Physical Family Violence on Children's Behavior Problems* Lynette M. Renner, 2005

*The Career Development Quarterly*, 2009 *Undoing Harm* Mona Eliasson, 2004 Men who use violence against women ex partners constitutes a problem not only for the women but for all of society Different kinds of approaches are necessary to protect victims stop ongoing violence and prevent both repetition and initiation of violent acts to control frighten and dominate women Efficient programs have been developed and tried in different countries In this volume comprehensive assessments of needed interventions are presented together with research on the efficacy of programs by an international group of scholars from the field Altogether there are obvious differences in legal contexts philosophies and experiences in different countries results show that the combination of a legal and a re educational approach is both necessary and most effective for reforming most groups of violent men The combination of a carefully planned approach based on current knowledge and equally careful assessments and follow ups over longer periods of time seems to give the best results Research from a broad social and cultural perspective including gender in equalities can also be a tool for application and refining knowledge to improve interventions and reform violent men *Advances in Psychology Research*, 2010

*Violence Against Women in Families and Relationships* Evan Stark, Eva Schlesinger Buzawa, 2009 This comprehensive overview of domestic violence against women and children in America covers the services meant to combat it the legal approaches to prosecuting it the public s attitudes toward it and the successes and failures of systems meant to address it

*Violence and Social Justice* Vittorio Bufacchi, 2007-10-23 This book provides an original account of the concept of violence and how violence relates to questions of social justice *Iroko*, 2007 *The Compassionate Rebel*, 2002
