yet hardly less complete ruin for those whom intolerance and hate have driven to the annihilation of their adversary The sympathies of the author as his closing sentence shows are with the new but his conscience as artist has none the less compelled him to give to the old its right of full and fair utterance The same ignorant or stubborn rel *Doña Perfecta* Benito Pérez Galdós,2022-12-07 **From Duty to Desire** Jane Fishburne Collier,2020-07-21 In the 1980s Jane Collier revisited a village in Andalusia where she and others had conducted fieldwork twenty years earlier to investigate changes in family relationships and to explore the larger question of the development of a modern subjectivity among the people Whereas the villagers she met in the sixties stressed the importance of meeting social obligations the people she interviewed more recently emphasized the need to think for oneself status concerns in choosing a spouse had apparently been replaced by romantic love patriarchal authority by partnership marriages parental demands for obedience by hopes of earning children s affection mourners respect for the dead by personal expressions of grief In each of these areas the author detected a modern concern for producing oneself which emerged with changes in how villagers experienced social inequality Collier notes that when inheritance appeared to determine social status villagers protected family reputations and properties by demonstrating concern for what others might say Once villagers began participating in the national job market where individual achievement appeared to determine a worker s income they focused on realizing their inner abilities and productive capacities Sensitivity to one s feelings thoughts and aptitudes along with rational assessments of the costs and benefits entailed in choosing how to use them testified to a person s unceasing efforts to realize inner potentials The author also traces shifts in the meaning of tradition suggesting that although modern people cannot be traditional they must have traditions in order to produce themselves **Dona Perfecta Volume 1 of 2 (EasyRead Super Large 24pt Edition) ,**
