Dona Ines:

The Theatre of Don Juan Oscar Mandel, 1986-01-01 Many good things are provided for our instruction and delight in this handsome volume Chief among them perhaps and most keenly wanted in a collection of this sort are sanity and wit The Romanic Review A most interesting literary history of the Don Juan theme with the plays or works themselves serving as illustrations Professor Mandel's general introduction and his shorter introductions and commentaries throughout the book are solid wise and engaging Robert E Taylor Renaissance News This anthology is exhaustive and informative expertly translated and by virtue of its subject damned exciting Quarterly Journal of Speech The translations are lively and quite faithful to the originals The long introduction could well stand alone fruitful in original observations on the nature of Don Juan spirited argumentative and quite personal Armand F Singer Hispania The eternal Don Juan the creation more than 350 years ago of a monk and dramatist known as Tirso de Molina has appeared on the boards as a thinker and fool hero and villain but never as anything less than a great lover Oscar Mandel's Theatre of Don Juan presents different aspects of the Don Juan's spectacular progress through a half dozen countries epochs and intellectual climates Here are full length plays by Molina Molière Shadwell Da Ponte Grabbe Moncrieff Zorrilla and Rostand excerpts from plays by Shaw Montherlant and Frisch plus a dozen critical and interpretative essays In his introduction Mandel examines the legend of Don Juan **The**

Disenchantments of Love María de Zayas y Sotomayor, 1997-01-01 Published in 1647 these ten tales are among the earliest narratives in Western literature to focus on women's experiences and points of view in love relationships **Harper's**

Magazine Lee Foster Hartman, Frederick Lewis Allen, 1929 Important American periodical dating back to 1850 **Maria de**

Zayas Tells Baroque Tales of Love and the Cruelty of Men Margaret Greer, 2011-11-30 María de Zayas y Sotomayor 1590-1650 published two collections of novellas Novelas amorosas y ejemplares 1637 and Desengaños amorosos 1647 which were immensely popular in her day During the nineteenth and early twentieth centuries Victorian and bourgeois sensibilities exiled her scandalous works to the outer fringes of serious literature Over the last two decades however she has gained an enthusiastic and ever expanding readership drawing intense critical attention and achieving canonical status as a major figure of the Spanish Golden Age In this first comprehensive study of Zayas's prose Margaret R Greer explores the relationship between narration and desire analyzing both the desire for readers displayed by Zayas in her Prologue and the sexual desire that drives the telling within the novellas themselves Greer examines Zayas's narrative strategies through the twin lenses of feminist and psychoanalytic theory She devotes close attention to the weight of Renaissance literary traditions and the role of Zayas's own cultural context in shaping her work She discusses Zayas's biography and the reception of her publications her advocacy of women's rights her conflictive loyalty to an aristocratic patriarchal order her crafting of feminine tales of desire and her erasure of the frontiers between the natural and supernatural indeed between love and death itself In so doing Greer offers an expansive analysis of this recently rediscovered Golden Age writer *Don Juan and the*

Point of Honor James Mandrell, 2010-11-01 In *Don Juan and the Point of Honor* James Mandrell undertakes a systematic examination of the many questions surrounding the legendary character. What emerges is a view of Don Juan as a positive social force in patriarchal society and culture. Mandrell shows that Don Juan should not be treated as an innocent or outmoded cultural artifact.

Bulletin Boston Public Library, 1896 Quarterly accession lists beginning with Apr 1893 the bulletin is limited to subject lists, special bibliographies and reprints or facsimiles of original documents, prints and manuscripts in the Library, the accessions being recorded in a separate classified list.
