Donar's Hammer Shane Ivey, 2003-06-01 **The Germanic Tribes, the Gods and the German Far Right Today**

Georg Schuppener, 2021-12-30 The Germanic Tribes the Gods and the German Far Right Today deals with the question of how right wing extremists in German speaking countries adapt and adopt elements from the history culture and mythology of the Germanic tribes It provides the first in depth study of the adoption of these historical motifs by right wing extremists Using linguistic and historical perspectives and drawing on both publicly accessible material and sources gathered by the intelligence services the book delineates the influence and impact of Germanic tribal history and culture within extremist subcultures The author demonstrates that references to the Germanic peoples their history culture and mythology are even more widespread among contemporary right wing extremists than they were in the interwar National Socialist era This book will be of interest to researchers of right wing extremism German politics and social movements **Pagan Portals - Thor**

Morgan Daimler, 2020-03-27 Thor is an immensely popular God but also one of contradictions whose complexity is sometimes underrated Often depicted as oafish he was clever enough to outwit the dwarf Alviss All wise A god of storms and thunder he brought fertility and blessed brides at weddings and although a defender of civilization and order he usually travelled with a trickster deity Pagan Portals Thor is an introductory book that examines both history and mythology untangling older beliefs from modern pop culture **First Lessons in German** Sigmon Martin Stern, 1898 **Rhinegold** Stephan
