Bert the Turtle Says Duck and Cover ,1955 **The Bomb** Gerard J. De Groot,2005 Bombs are as old as hatred itself But it was the twentieth century one hundred years of incredible scientific progress and terrible war that brought forth the Big One the Bomb humanity s most powerful and destructive invention In *The Bomb A Life* Gerard DeGroot tells the story of this once unimaginable weapon that at least since 8 16 a m on August 6 1945 has haunted our dreams and threatened our existence The Bomb has killed hundreds of thousands outright condemned many more to lingering deaths and made vast tracts of land unfit for life For decades it dominated the psyches of millions becoming a touchstone of popular culture celebrated or decried in mass political movements films songs and books DeGroot traces the life of the Bomb from its birth in turn of the century physics labs of Europe to a childhood in the New Mexico desert of the 1940s from adolescence and early adulthood in Nagasaki and Bikini Australia and Kazakhstan to maturity in test sites and missile silos around the globe His book portrays the Bomb s short but significant existence in all its scope providing us with a portrait of the times and the people from Oppenheimer to Sakharov Stalin to Reagan whose legacy still shapes our world **Duck and Cover** Scott Snyder,2025-03-11 From Eisner Award winner Scott Snyder comes a post apocalyptic graphic novel with a historical twist For generations the threat of nuclear attack was always in the corner of their minds Millions of elementary school students and teens were taught that the flash means act fast Duck and cover But what happens AFTER the blast The year is 1955 and teenager Del Reeves dreams of ditching town life for a life in movies beyond projecting them at the local drive in But when Cold War nightmares become a reality Del discovers that the film genres he d grown up watching are more real than he could have ever imagined When a sudden nuclear exchange obliterates the U S only the children who hid under their school desks are spared These teens now find themselves the lone survivors in a strange and wild new 50 s America *Collects Duck and Cover* 1 4 **Duck and Cover** Melvin E. Matthews, Jr.,2011-11-08 During the 1950s and early 1960s school air raid drills bomb shelters and unnerving civil defense films served as constant reminders of the looming threat of nuclear war Throughout America a widespread civil defense effort used town meetings public school educational programs and the mass media television radio and especially motion pictures to mobilize every citizen for a protracted Cold War This volume explores how American popular culture has portrayed civil defense from mid twentieth century to the immediate post September 11 era With analysis of everything from early government propaganda films and 1950s science fiction films to *Happy Days* the Reagan era TV movie *The Day After* and the small screen nostalgia trend after 9 11 it shows how popular culture reflects American fears and the hope of preparedness **Duck and Cover** Rick Ginsberg,Yong Zhao,2023 Explore what the authors label educational duck and cover policies ideas that are no longer useful or are not scientifically sound or even logical The authors offer recommendations for reconsidering replacing or just removing these dubious practices Topics include standardized testing college and career readiness social and emotional learning teaching evaluations and

professional development **The Cold War through Documents** Edward H. Judge, John W. Langdon, 2024-06-10 This text is a comprehensive collection of more than 100 carefully edited documents speeches treaties statements and articles making the great events of the era come alive through the words and phrases of those who were actively involved Coverage traces the Cold War from its roots in East West tensions before and during World War II through its origins in the immediate postwar era up to and including the collapse of the Soviet Union during 1989 1991 Broken Greg Fromholz, 2015-08-18 The growing disconnect between the instructions of Jesus and the actions of his followers has caused a rift Instead of reaching out beyond our walls we hold tight to traditions that seem outdated Instead of exploring other faith perspectives we shake a judgmental fist at a secular society Instead of engaging culture in their questions about what our lives should be like we talk as if God only cares about the next life As a result our witness has become as divisive as sin itself This book is a call to restore the trust that we have lost in our relationships with each other and with God Expounding on stories from the Bible history culture and his own experiences Fromholz explores the source of the disconnect and provides a blueprint for reconnection A snowball fight between soldiers and students demonstrates that trust can overcome fear The biblical story of Abraham and Sarai shows how restoring trust can restore faith in God The author's seventeen year search for his father sends a powerful message new trust brings a new future Through authentic honest and challenging prose Fromholz examines the power trust has in freedom forgiveness and reconciliation Recognizing that we are part of this culture and life around us Broken will inspire us to be who we were always created to be connected and restored so that we can find and multiply hope

Pop Goes the Decade Ralph G. Giordano, 2017-06-05 Covering significant historical and cultural moments public figures and celebrities art and entertainment and technology that influenced life during the decade this book documents the 1950s through the lens of popular culture On the surface the 1950s was a time of post war prosperity and abundance However in spite of a relaxation of immigration policies the good life in the 50s was mainly confined to white non ethnic Americans A new Cold War with the Soviet Union intended to contain the threat of Communism and the resulting red scare tinged the experience of all U S citizens during the decade This book examines the key trends people and movements of the 1950s and inspects them within a larger cultural and social context By highlighting controversies in the decade readers will gain a better understanding of the social values and thinking of the time The examination of the individuals who influenced American culture in the 1950s enables students to gauge the tension between established norms of conformity and those figures that used pop culture as a broad avenue for change either intentionally or by accident *Duck and Cover - Propaganda for the Atomic Age* Andreas Schwarz, 2012 Seminar paper from the year 2010 in the subject American Studies Miscellaneous grade 1 3 Free University of Berlin John F Kennedy Institut language English abstract The dropping of two US nuclear bombs on Japan ended World War II in the Pacific By then little was known about the pathological implications such an act of war would have on the Japanese civilian victims The weapons had barely been tested before deployment and the

potential consequences of the radioactive fallout were not yet fully understood The first practical use of the bomb together with all its casualties initiated a future policy of deterrence It was apparent what can happen if you go to war with a nuclear power Still no other nuclear weapon has ever since been deployed as an act of war In this research paper I will analyze the Duck and Cover propaganda short issued by the Federal Civil Defense Administration in the early 1950s as the primary source I will focus on the content of the episode its structural and cinematic means and its desired and achieved affects toward its target audience What were the reasons and goals behind this far fetched and committed civil defense operation Is it seen as an outspoken domestic act out of moral obligation from the government that comes with the responsibility of being a nuclear power Was the nuclear fallout which the film thoroughly neglects as a danger really not known to the government at this point in time or was this knowledge deliberately held from the public This last question defines greatly the core meaning of the film in historical terms Eventually it determines whether Duck and Cover was merely a naive piece of safety education or just a good excuse for conditioning a whole generation as well as its parents to the ideological challenges of the forthcoming decades of the Cold War This humble paper alone cannot answer all these questions but rather build a basis for extended research on the topic Sources indicate that in government circles the secondary dangers that emanate from a nuclear blast like
