an old Polish neighborhood near St Marys of the Angels Catholic Church one of Chicagos actual historical landmarks known for its spectacular golden dome its glorious rooftop angels and its mysterious blue light in the cupola that can be glimpsed from the Kennedy Expressway Even though Jozef is proud of his family heritage and he enjoys helping his parents at their store he realizes he is not a people person like his father and he chooses a career as a computer programmer rather than pursuing the family business as his father puts it Jozef prefers to lose his eyesight to blue screened elektronika A few days before Christmas Jozef makes a routine stop at his parents store on his way home from work and he runs into Eva Galuska a strikingly beautiful seductive woman who is a friend of his family Eva is a talented seamstress who has always seemed breath taking and mysterious but after their brief flirtatious encounter in his fathers store Jozef finds himself unexpectedly attracted to her and cannot get her out of his mind This unexpected lust leads Jozef to question many aspects of his life and these confusing thoughts about Eva lead him to one particular childhood memory that haunts him revealing his own guilt and feelings that he could have somehow prevented it from happening in the first place For Jozefs family the holidays represent the most profitable time of the year as well as the traditional Polish religious celebration of the birth of Christ For Jozef the glow of Christmas is a magical time when anything is possible the twinkle of lights brighten the world at the darkest time of the year and at the same time the celebration of Christs birth is an impetus for spiritual rebirth Jozef sets out on a journey of self discovery sharing his memories perceptions personal thoughts and problems with the reader He questions the blend of old rituals and superstitions with religion in an attempt to discover his own beliefs and to resolve old conflicts still smoldering from the past His meeting with Eva unlocks a forgotten door in his childhood memories revealing his uneasiness with a family Christmas Eve tradition and unravels a tangled paradox of hidden secrets among the layers of complex personalities family traditions superstitions and faith And in spite of his conscious efforts to differ from his father Jozef finds that he possibly shares a secret with his father to which he has been oblivious his entire life As Christmas Eve approaches Jozef recognizes the tiny window of opportunity to resolve his personal issues once and for all Eva Galuska and the Christmas Carp is a celebration of the rich cultural heritage and the languages the culinary specialties the folklore and superstitions of Chicagos ethnic communities particularly focused on Chicagos Polonia And the fictional story of Jozef Mieszkos intertwined with history and actual landmarks of Chicagos magnificent landscapes reveals a contemporary yet tangled plot that could happen to any family in America or elsewhere This story at Christmastime sheds light on Eastern European holiday traditions still practiced today but also opens the door for Jozefs spiritual awakening and in a sense his rebirth as he listens to the Black Madonna and follows St Marys of the Angels mysterious
