Duckling Diary

Graham F. Welch

Duckling Diary:

Duckling Diary Ben M. Baglio, 2000-04 Mandy and James find a duck's nest in tatters. The mother is nowhere to be seen. But there's one egg intact and it's still warm. Mandy is convinced she can hatch it. But what will she do with the little duckling?

Duckling Diary Ben M. Baglio, 1998 *Duckling Diary* Lucy Daniels, 1998 Mandy and James have been watching a duck's nest but one day they find the nest torn to pieces and the eggs smashed except for one which Mandy takes home. When it hatches the duckling attaches itself to Mandy even following her to school. How will Mandy teach it to fend for itself in the wild?

The Ugly Duckling Kees Moerbeek, 2014-11 An entertaining diary format based on this much loved fairy tale told from the perspective of the Ugly Duckling himself. Pop ups bring the book to life perfect for engaging early readers. Multi media illustrations and handwritten text complete the illusion of a real scrapbook diary.

Animal Ark Pets 10 Duckling Diary Baglio Ben, Ben M. Baglio, 1998 *Duckling Diary*, 2000-04 **My Duckling Journal: Blank Line Journal** Mary Lou Darling, 2018-10-07

The My Duckling Journal Journal with lined pages is the perfect gift idea for all duck and animal lovers. This writing journal is the perfect gift idea for birthdays, holidays, Christmas, Kwanzaa or Hanukkah. 6 x 9 paperback, 110 pages, 55 sheets. Beautiful glossy cover. Perfect for gift giving.

Ducks Cherie Langlois, 2011-05-03 Written by hobby farmer Cherie Langlois from Washington state. Ducks is a fantastic overview of these entertaining and adaptable waterfowl. The author begins by asking, "What do these water crazy birds have that make them as much an asset to farms as landlubbing poultry?" She provides many answers that defend the virtues and versatility of ducks and argues that the duck is superior to the ubiquitous chicken in many ways. As a zoologist, Langlois has a gift for elucidating the details of the waterfowl's anatomy, traits and behavior, all revealed in the first chapter, "Meet the Duck." She proceeds by leading readers through the process of choosing the right ducks for their hobby farm, considering the various domestic breeds from bantams to heavyweights as well as the sex of the birds and number of birds. Breeds ideal for beginning a hobby farm flock. The book offers advice on housing these very adaptable birds that thrive in various climates and regions throughout the world: space requirements, ventilation, flooring, feeders and fencing. Naturally, ducks need water to thrive in the form of an existing lake, a manmade pond or simple duck pools, all discussed in the housing chapter. The Duck Diet chapter discusses the nutritional needs of the flock and various feeding options. Farmers and ranchers can consider. Seasoned duck aficionados interested in getting into the business of ducklings will find much information in the breeding chapter which catalogs methods for hatching, incubators, mama duck and baby care and more. The health of livestock is always a major consideration for the hobby farmer and the chapter "Flock Health and Handling" offers a mini course in disease prevention, proper hygiene, recognizing symptoms of illnesses and dealing with common maladies. The

advantages of duck farming the superior quality of duck eggs down and meat are the focal point of the final chapter Harvesting the Rewards likely the first chapter the dubious duck farmer will read prior to taking the dive into ducks The book concludes with appendices of endangered duck breeds and duck diseases resources a glossary of terms and a complete index
