Duello Damore:

Church, Censorship and Culture in Early Modern Italy Gigliola Fragnito, 2001-09-06 The opening of the archive of the former Congregation of the Holy Office in Rome the office of the Inquisition yielded an extraordinary wealth of documentation altering dramatically many long standing views on the repressive activity of the Roman Church during the counter Reformation Drawing extensively upon this archival source this 2001 book highlights the wide gap between the Church's aim to exert control over all knowledge and actual implementation The plurality of the central offices their contradictory decisions and the inadequacy of the peripheral offices combined to hamper truly effective censorship But despite this failure in developing a unified expurgatory policy such prohibition as there was had a disastrous effect upon Italian culture and for centuries Italians jurists scientists Jews and common readers as well as scholars were deprived of their most cherished books

The Poetics of Imitation in the Italian Theatre of the Renaissance Salvatore Di Maria, 2013-01-01 The theatre of the Italian Renaissance was directly inspired by the classical stage of Greece and Rome and many have argued that the former imitated the latter without developing a new theatre tradition In this book Salvatore Di Maria investigates aspects of innovation that made Italian Renaissance stage a modern original theatre in its own right He provides important evidence for creative imitation at work by comparing sources and imitations including Machiavelli's *Mandragola* and Clizia Cecchi's *Assiuolo Groto* of Emilia and *Dolce's Marianna* and highlighting source elements that these playwrights chose to adopt modify or omit entirely Di Maria delves into how playwrights not only brought inventive new dramaturgical methods to the genre but also incorporated significant aspects of the morals and aesthetic preferences familiar to contemporary spectators into their works By proposing the theatre of the Italian Renaissance as a poetic window into the living realities of sixteenth century Italy he provides a fresh approach to reading the works of this period

Drammaturgia Leone Allacci, 1666 [Bibliotheca Patoniana](#) James Robson, 1790 *Quarterly Bulletin* Brooklyn Public Library, 1914 [Catalogue of Opera Librettos Printed Before 1800](#) Library of Congress. Music Division, 1914 **Catalogue of the London Library** London Library, 1913 **British Museum Catalogue of printed Books**, 1893 *Catalogo Dei Libri Italiani ...* New York Public Library, 1912 **Catalogue of Printed Books** British Museum, 1893 [Bulletin of the Brooklyn Public Library](#) Brooklyn Public Library, 1914 **Standardization in the Middle Ages** Line Cecilie Engh, Kristin B. Aavitsland, 2024-11-18 We live in a world riven through with standards To understand more of their deep rich past is to understand ourselves better The two volumes *Standardization in the Middle Ages Volume 1 The North* and *Standardization in the Middle Ages Volume 2 Europe* turn to the Middle Ages to give a deeper understanding of the medieval ideas and practices that produced and were produced by standards and standardization At first glance the Middle Ages might appear an unlikely place to look for standardization The editors argue that on the contrary generating predictability is a precondition for meaningful cultural interaction in any historical period and that we may look to the Middle Ages to learn more about the

historical social and cognitive processes of standardization This multidisciplinary venture which includes medievalists from the fields of history intellectual history art history philology numismatics and more as well as scholars of cognitive science informatics and anthropology interrogates how medieval people and groups envisioned and enforced predictability uniformity and order and how they attempted to obtain and maintain standards across vast distances and heterogeneous social and cultural structures
