Bible Secret Ron Bain, 2005-08 Last few days of the world's civilizations The texture is that of diamonds infinitely solid incomprehensible in its hardness The color is a dark blue A deep plateau stretches out in every direction There stands an individual a figure of a human Tall beyond dimensions He is clothed in light His shoulders are broad His feet seem as blocks His hands appear gentle His face reveals no features The eyes are felt rather than seen Surrounding the light that clothes Him is an aura of light blue Behind Him a deep blue goes back forever He is the Beginning and the End and has decided the moment when time shall stop The rebuilding of the Temple is the key to all of it The actual events like the war in Iraq the 11th September the terror all over the world and the campaign of the UN and other powers in the world to take Jerusalem and parts of the Biblical land of Israel are actually the opening stages of the end time war and all of it is focused on Israel and Jerusalem as G d shared with us in prophecy The Temple Mount and Land of Israel Faithful Movement Published April 2003

ahead and with a calm voice said to me Almost there It has been 20 years since his homeward journey and I have been haunted by those words What was he seeing that we couldn't see In my career as a surgeon and a witness for Christ I have observed many deaths when the last moments were calm and unafraid Four years as a hospice volunteer brought me even more intimate with those last moments I think that the valley David wrote of could also represent moments of extreme circumstances in our lives when we are in the Shadow of death an automobile accident with severe injuries the sudden loss of a child or spouse the loss of a career a consuming fire a devastating flood the birth of a stillborn Do you have the Good Shepherd to guide you through these times We only have this moment this breath Tomorrow is not promised to anyone Do you have the peace of God that surpasses all understanding Are you ready to walk through the valleys of your life Come with me as I walk through the valley of the hospice and witness the grace and comfort that only God can provide for us Journey with me and meet my Lord There will be stops along the way as we see how the world deals with the valley I pray that this book might be a life changing experience for you as we journey to Almost there **Subject Guide to Books in Print** ,1997

Lafferty,2013-05 There's nothing good about a divorce It is one of the most painful experiences a person can endure What's worse is that if one is a Christian and divorced what he or she often finds is that the institution meant to heal the brokenhearted the church often sounds more like an adversary rather than an advocate Too often they are intentionally reclassified as second class Christians Why is this so Should this be so A Difficult Passage is a call to rethink in Biblical and compassionate terms the traditional conservative views of divorce and remarriage Readers will navigate their way through difficult questions such as What was God's original intent when He designed marriage What role did history and culture play in shaping modern opinion and doctrine Once a person is married can they ever be considered unmarried in the eyes of God Did God make provision for divorce as a corrective measure to insure justice for the innocent Once divorced can a person ever remarry Does remarriage constitute perpetual sin From where did the modern church get its marital views **The British National Bibliography** Arthur James Wells,1998 **Worshipping Trinity** Robin Parry,2011-08 Synopsis Writing for church leaders worship leaders and songwriters as well as those interested in theology Robin Parry looks at why the Trinity matters and addresses pressing questions such as What is the relationship between theology and worship Why is the Trinity central to Christian living and believing Does the Trinity help us understand what we do when we worship How can we write and select songs that foster an awareness of the Trinity How can we make the Trinity central through Holy Communion spiritual gifts preaching and the use of the arts Practical and realistic Worshipping Trinity shows how we can maintain the centrality of the Trinity in a fast changing worship culture Endorsement An extremely valuable resource for any pastor leader or worshiping heart In these pages Robin punches us in the stomach theologically speaking gives us a few moments to get our breath back and then teaches us some nifty moves so that we can defend ourselves better in the future and even throw a few theological punches
