A Home of the Humanities James N. Carder, 2010 Mildred and Robert Woods Bliss were consummate collectors and patrons The illustrated essays in this volume reveal how the Blisses wide ranging interests in art music gardens architecture and interior design resulted in the creation of the Dumbarton Oaks Research Library and Collection what they came to call their home of the humanities **Dumbarton Oaks Conversations, 1944-1994** Joachim Wolschke-Bulmahn, Linda Lott, 1994-01-01 **Twenty-five Years of Studies in Landscape Architecture at Dumbarton Oaks** Joachim Wolschke-Bulmahn, 1996 **Books in Print**, 1991 Books in Print, 2003-2004, 2003 **Subject Guide to Books in Print**, 1971 **Bollettino delle opere moderne straniere acquistate dalle biblioteche pubbliche governative del regno d'Italia** Biblioteca nazionale centrale di Roma, 2001 **Toward a Just World** Dorothy V. Jones, 2013-12-04 Toward a Just World is an insightful and thoughtful history The first half of the twentieth century and the heroic efforts of those who sought international justice during that time will be much better understood and appreciated thanks to this fascinating book Robert F Drinan Georgetown University A century ago there was no such thing as international justice and until recently the idea of permanent international courts and formal war crimes tribunals would have been almost unthinkable Yet now we depend on institutions such as these to air and punish crimes against humanity as we have seen in the International Criminal Tribunal for Rwanda and the appearance of Serbian leader Slobodan Milosevic before the Tribunal for the Former Yugoslavia Toward a Just World tells the remarkable story of the long struggle to craft the concept of international justice that we have today Dorothy V Jones focuses on the first half of the twentieth century the pivotal years in which justice took on expanded meaning in conjunction with ideas like world peace human rights and international law Fashioning both political and legal history into a compelling narrative Jones recovers little known events from undeserved obscurity and helps us see with new eyes the pivotal ones that we think we know Jones also covers many of the milestones in the history of diplomacy from the Treaty of Versailles and the creation of the League of Nations to the Nuremberg war crimes tribunal and the making of the United Nations As newspapers continue to fill their front pages with stories about how to administer justice to al Qaeda and Saddam Hussein Toward a Just World will serve as a timely reminder of how the twentieth century achieved one of its most enduring triumphs giving justice an international meaning
