Bertholf,Dale M. Smith,2017-12-15 The correspondence of Robert Duncan and Charles Olson is one of the foundational literary exchanges of twentieth century American poetry The 130 letters collected in this volume begin in 1947 just after the two poets first meet in Berkeley California and continue to Olson s death in January 1970 Both men initiated a novel stance toward poetry and they matched each other with huge accomplishments an enquiring declarative intelligence wide ranging interests in history and occult literature and the urgent demand to be a poet More than a literary correspondence An Open Map gives insight into an essential period of poetic advancement in cultural history *The Letters of Robert Duncan and Denise Levertov* Robert Edward Duncan,Robert J. Bertholf,Albert Gelpi,2004 This volume presents the complete correspondence between two of the most important and influential American poets of the postwar period The almost 500 letters range widely over the poetry scene and the issues that made the period so lively and productive But what gives the exchange its special personal and literary resonance is the sense of spiritual affinity and shared conviction about the power of the visionary imagination Duncan and Levertov explore these matters in rich detail until under the stress of dealing with the Vietnam War in poetry they discover deep seated differences in the religious and ethical convictions underlying their politics and poetic stance The issues that drew them together and those that drove them apart create a powerful personal drama with far reaching historical and cultural significance The editors have provided a critical Introduction full notes a chronology and a glossary of names *A Study Guide for Robert Duncan's "Poetry, A Natural Thing"* Gale, Cengage Learning, A Study Guide for Robert Duncan s Poetry A Natural Thing excerpted from Gale s acclaimed Poetry for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Poetry for Students for all of your research needs *Selected Poems* Robert Burns,1920 *A Study Guide for Robert Duncan's "An African Elegy"* Gale, Cengage Learning,2016 A Study Guide for Robert Duncan s An African Elegy excerpted from Gale s acclaimed Poetry for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Poetry for Students for all of your research needs **Inciting Poetics** Jeanne Heuving,Tyrone Williams,2019-06-15 The essays in Inciting Poetics provide provocative answers to the book s opening question What are poetics now Authored by some of the most important

contemporary poets and critics the essays present new theoretical and practical approaches to poetry and poetics that address current topics and approaches in the field as well as provide fresh readings of a number of canonical poets The four sections What is Poetics Critical Interventions Cross Cultural Imperatives and Digital Capital and Institutional Frames create a basis on which both experienced readers and newcomers can build an understanding of how to think and write about poetry The diverse voices throughout the collection are both informative and accessible and offer a rich exploration of multiple approaches to thinking and writing about poetry today

A Poet's Mind Christopher Wagstaff, 2012-08-07 Robert Duncan 1919 1988 one of the major postwar American poets was an adulated figure among his contemporaries including Robert Creeley Charles Olson and Denise Levertov Lawrence Ferlinghetti remarked that Duncan had the best ear this side of Dante His stature is increasingly recognized as comparable to that of Ezra Pound William Carlos Williams H D and Louis Zukofsky Like his poetry Duncan's conversation is generative and multi directional pushing out the boundaries of discourse His recorded reflections are a means of discovery and exploration and whether talking with a college student or a fellow poet he was fully engaged and open to new thoughts as they emerged The exchanges in this book are exciting and lively His vast and wide ranging knowledge offers readers an increased understanding of the interrelations of the arts history psychology and science those who would like to learn about Duncan's own life his bravery in being an out gay man well before Stonewall and his friendships with fellow writers such as Charles Olson Jack Spicer and Kenneth Rexroth will find this book richly rewarding The six volumes of Duncan's collected writings are being issued by the University of California Press The collected interviews are an indispensable companion to these books providing an in depth exposition of his poetics which center on the belief that the poem is a medium for the life of the spirit In A Poet's Mind he describes the genesis of some of his works including that of books essays and individual poems and also discusses gay love and life along with the many diverse influences on his work Duncan's fertile creative mind is also evident in these conversations often coming back to Ezra Pound in these conversations he gives one of the clearest expositions to be found anywhere on the scope and meaning of The Cantos This volume also includes a number of photographs never before published

Male Subjectivity and Poetic Form in "New American" Poetry A. Mossin, 2010-05-24 Focusing in particular on pairings of writers within the larger grouping of poets this book suggests how literary partnerships became pivotal to American poets in the wake of Donald Allen's New American Poetry anthology
